BOS FACILITIES & PUBLIC SAFETY SUBCOMMITTEE
TUESDAY, MAY 5, 2020
3:00 P.M. - VIRTUAL
SPECIAL MEETING MINUTES

The May 5, 2020 Board of Selectmen Facilities & Public Safety Subcommittee meeting was called to order at 3:04 PM.

ROLL CALL

MEMBERS PRESENT: First Selectman Sandra Pierog, Selectman Michael Eremita, and Selectman Robert DePietro.

OTHERS PRESENT: Member of the Public Tim Sadler and Administrator Joshua Steele Kelly.

AGENDA ITEM 2 – Consideration of and possible action on Bolton virtual net metering projects.

DISCUSSION: Resident Tim Sadler presented to the Subcommittee about the possibility of the Town of Bolton purchasing electricity, through virtual net metering, from a solar farm that he plans to build. Sadler reported that such a contract between his solar farm and the Town could save the town upwards of \$700,000 over the next twenty years. He further explained how the savings are realized and underscored the fact that, at this point in time, he only needs a non-binding letter of intent from the town in order to proceed with his process. The Board members asked several clarifying questions of Sadler, and Sadler agreed to send the Administrator a sample letter of intent for the Board to consider and potentially act upon at a later date.

The meeting adjourned at 3:30 PM.

Respectfully submitted,

Joshua Steele Kelly, Administrator
