

Bolton Zoning Board of Appeals
Regular Meeting Minutes
March 8, 2022 7:00 p.m.
Bolton Town Hall, 222 Bolton Center Road
Hybrid Meeting-In person and virtual via Zoom

Members Present: Chairman Mark Altermatt, Anne Decker (attending virtually via Zoom), Jonathan Treat and Morris Silverstein and Alternates William Anderson, Joshua Machnik (seated for William Pike) and Mary Terhune (attending virtually via Zoom)

Staff Present: None

Regular Meeting

1. Call to Order: Chairman M. Altermatt called the meeting to order at 7:03 p.m.

2. Public Comment: No public comment

Public Hearing

3. CONTINUATION OF PUBLIC HEARING - Application #Z-21-79 Britney Mahomes of Ambassador Pools, on behalf of homeowner Tonya LaPlante – 11 Enrico Rd. – variance request to install above-ground pool with integrated deck and fence

Tonya LaPlante was present virtually via Zoom. No one was present from Ambassador Pools. Ms. LaPlante thought that a representative of Ambassador Pools would be attending this meeting and would be speaking on her behalf.

M. Altermatt noted that if the ZBA acts on this tonight and denies her application, she would not be able to bring another application before the board for another six months. Alternately, she could withdraw her application if she is not prepared to present her case. Ms. LaPlante did not feel that she could appropriately explain why a variance should be granted. The pool company was responsible for the permitting and Ms. LaPlante was not aware of the terms of the permit other than being aware of the constraints of her property. She is very disappointed that the pool company is not representing her and acting on her behalf.

At this point in the meeting, M. Altermatt suggested that Ms. LaPlante try to contact the pool company. She was unsuccessful in contacting anyone. Other than knowing the unique configuration of her property and the placement of her septic system, she doesn't feel that she has any information to contribute.

M. Altermatt noted that if she withdraws her application, the Zoning Enforcement Officer would be within his rights to have her remove the pool or she can submit another application. The other option would be to plead her case for the granting of the variance.

J. Treat felt that the applicant would be well advised to secure legal advice in this matter.

Ms. LaPlante briefly left the meeting to confer with her husband. M. Altermatt presented the two options to Mr. LaPlante-go forward with the application or withdraw and resubmit the application. If they decide to proceed with the hearing, it will be at their own risk.

Both Mr. and Mrs. LaPlante felt that it would be best to withdraw their application at this time. This will be treated as a withdrawal by any and all parties including the pool company.

M. Silverstein said that they should be aware that as long as the pool remains in place, they are facing potential problems if action isn't taken within a reasonable amount of time. M. Altermatt also made it clear that time is of the essence in resolving this matter.

Other Business

4. Approval of Minutes: February 8, 2022

M. Silverstein made a motion to accept the minutes as presented. J. Machnik seconded. The motion passed unanimously 5:0:0.

5. Correspondence: None

6. Other

M. Altermatt noted that the Connecticut General Assembly passed a statute during the current session that requires members of Planning and Zoning Commissions and Zoning Board of Appeals to complete at least four hours of continuing education every two years. This goes into effect in January, 2023. The ZBA may coordinate the training with the Planning and Zoning Commission.

7. Adjournment

M. Silverstein made a motion to adjourn at 7:34 p.m. J. Machnik seconded. The motion passed unanimously 5:0:0.

Respectfully submitted,

Leslie J. Brand

Leslie J. Brand

Please see minutes of subsequent meetings for corrections to these minutes and any corrections hereto.

Zoning Board of Appeals

Statement of Hardship

Home is built very close to rear property line leaving open space only in front yard and side yard. Proposing to install pool directly behind the house so it has privacy. It would be encroaching the rear set back but plenty of space there for it behind the house/

Brief Explanation of Specific Action(s) Requested of the ZBA

A variance to be submitted to request the permission to install pool and violate rear setback by 10-12 feet. Setback is 40 feet to the rear and they have about 28 feet

Has any previous application been filed in connection with these premises?

Yes

If yes, give date

Subject: 11 Enrico rd variance
To: danny@ambassadorpools.com <danny@ambassadorpools.com>, zeo@boltonct.org, rheckman@boltonct.org, jennifer@ambassadorpools.com

Danny,

My wife and I have decided to try and resolve the pool issue with as little pain and time as possible for both parties. We have decided to be "on board" with your company pursuing the variance on our behalf in order to finalize the contractual purchase and installation of a pool with your company. Please let all on this email know your decision along with expected dates of completion.

Thank you!

RE: Special Variance & Hardship

Project: 11 Enrico Rd Bolton CT 06043~Installed above ground pool

Meeting date: Public Hearing 06-14-22, 7 p.m.

On behalf of our client, Tonya and Daniel Laplante, homeowners of 11 Enrico Road Bolton CT, Daniel Johnston, Owner of Ambassador Pools, filed a special permit with the building department of Bolton, CT for permission to install an above ground swimming pool in their backyard. The homeowners purchased a 12x20 single end pool, the proposed pool location/installed location behind the home indicates no reason for unstable ground as well as the surrounding usable yard area. The point beyond the proposed pool flat area begins to border the wetlands with trees and other plants that have remained untouched to preserve the environment and mitigate wetlands impacted whatsoever.

The pool dimensions are 14 x 28 including the single end deck attached to it, with the proposed setback requirements of 28' on the left, 88' for the right side, 210' for the front and 105' for the rear setback; the homeowners also have a septic tank in their yard which the pool is proposed to be 10' away from.

2 hardships the owners are facing are the setback requirements for the distance of their septic system to the pool and their very odd shaped lot.

Our company, Ambassador Pools, deals with a variety of homeowners and their leaching fields, septic and wells; Stating this as a company we run into multiple setbacks requirements each one different from each town and state so we proposed the pool where we thought would be the best fit while catering to the homeowners vision. Our pools have an integrated deck with fencing to add privacy, safety and the utmost convenience to our customer and the abutters of the neighborhood.

The pool is installed with a saltwater generator to minimize any potential chemical pollution to the surrounding environment, making it a natural freshwater pool using electrolysis to convert salt into chlorine instead. Due to the grade circumstances in the yard our installation team will be able to prep the site by removing only the top layer of grass, remaining mindful of the existing vegetation and wetland flagged surrounding areas by marking with silt socks the maximum area of construction, a proven and safe erosion control method, during our minimal disturbance work to grade the surface of ground for the leveling of above ground pool. Homeowners should be educated on not adding chlorine for at least 7 days prior to draining the pool in future, as well as notifying the city of how the pool should be drained as well.

Ambassador Pools believes that the proposed project has been designed in a way that will minimize impacts to resource areas if there is any. Danny Johnston, Owner, from Ambassador Pools respectfully requests an order for a Special Variance granting permission for the work described above as well as allowing the homeowner to enjoy a pool they have wanted for a long time now.

Please feel free to contact us if you have any questions or concerns.

Thank you,

Danny Johnston
