

**An important update on museum passes:**

TixKeeper, our current online museum pass provider, ceased operations at the end of December 2024. We hope to have a new system up and running shortly. In the meantime, patrons are encouraged to contact the library after January 1st if they wish to sign out a pass. Until the new online system is operational, patrons will need to stop by Bentley to physically pick up a pass.

*PLEASE NOTE: Passes for different attractions have varying restrictions and days and hours of operation.*

***We recommend you call or visit the museum's website to review their current policies. Some museums require preregistration.***

Museums build a sense of community identity.

They serve as a gathering point for people of all backgrounds to come and enjoy the fun of sharing similar interests. They bridge generational and cultural divides by providing new perspectives and starting conversations.
