## Wowbrary

Wowbrary is a nonprofit service that provides free weekly emails about your local library's most recent acquisitions including new books, DVDs, and CDs. Our service reaches both avid library patrons and those who haven't used libraries in years. Wowbrary serves as an attractive online version of

the new-book shelf, but one that spans all library branches, includes items that are checked out, and comes by convenient email. By showcasing the latest arrivals and allowing patrons to click through directly to the library website, Wowbrary makes it easy to scan quickly what's new and encourages greater library use.

## Signing up to receive weekly emails

Go to <https://www.wowbrary.org> and type your ZIP code in the upper left box. Then hit the Go button. Wowbrary will display Bentley Memorial Library and other area libraries. Check Bentley, enter your email address and then click submit. You will start receiving updates within a week of the library's latest purchases.

## Friends of the Library

The Friends of the Library will offer biographies for sale throughout the month of June in the front lobby. In addition to book sales, the Friends are selling cloth Book Bags to help keep your library selections together. Please stop by Bentley to help support our sales. All proceeds will be used to support future programs at the library.

If you'd like to learn more about the Friends of the Library, consider joining us at our next meeting in June.

Thanks to the Friends of the Library for providing refreshments and supplies for our programs throughout the year and for the complimentary coffee bar.

## eGO The Palace Project

*Download the app for free books!*

The Connecticut State Library now has over 54,000 titles in its collection of online books. These books include mysteries, thrillers, and backlist bestsellers. Our patrons are often looking for a standalone mystery or a mystery series – eGO Palace Project has both!

To access the eGO Palace Project, download the "Palace Project" app on your mobile device from the App Store or Google Play, then log in using your library card number and PIN to browse and borrow ebooks and audiobooks from the Connecticut State Library's eGO collection; you can access both your local library's collection and the statewide eGO collection through this app.

The [All CT Reads](#) program is in full swing for 2026! To support participation in this amazing program, the Palace Project has purchased all available copies of this year's titles. The Palace Project has also created an All CT Reads 2026 lane on every library's interface for improved discoverability.

## The Palace Project Celebrates Recent Pulitzer Prize Winners

On May 4, the 2026 Pulitzer Prizes were awarded by the Pulitzer Prize Board for work during the 2025 calendar year.

To support demand for these titles, the Palace Project has purchased all available copies of this year's Pulitzer Prize winners and finalists and made them available through their app.

## BCS 2nd Grade Class Visit

The second grade joined the Bentley librarians on May 27th for an annual morning of fun. Book selection, storytime, a scavenger hunt, and outdoor games helped the students explore the library and become familiar with what Bentley has to offer. A public library is a wonderful resource that stays with a person for their entire life, and we are fortunate to help the second graders begin their journey of reading for knowledge and pleasure. If you have a second grader in your life, make sure to ask them about [The Book With No Pictures](#) by BJ Novak!

## The Bentley Memorial Library Patio

The BML patio is open for the season and we have additional seating and an additional coffee table. Enjoy a picnic with a book in this fine weather!
