Please Return Your Overdue Items. Did you know? Our outside book drop is open! This is a great time to 'clean house' and return any overdue library items, while we are not charging late fees.

Make an Appointment, and Come On In! We continue to offer outside pickup of items, if that is your preference, but you are also welcome to come in and browse. See [our website](#) for open hours and procedures, and thank you for your continued support and for following the rules. We all share the goal of keeping our community safe and preventing the spread of COVID-19, so that we may return to 'normal' sooner.

A Reminder: Please do not reserve a library item if you plan on being away on vacation, especially if the item is being sent from another library. It's unfair to have items sitting on the holds shelf for any length of time while other patrons are waiting for them.
