TAX COLLECTOR'S OFFICE

The Tax Collector's office is preparing for the next tax billing. Tax bills should be mailed out by the end of June and must be paid by August 3, 2026 to avoid interest.

MOTOR VEHICLE TAX BILLS

Delinquent motor vehicle tax accounts have been reported to the Department of Motor Vehicles. To remove a DMV registration hold, all outstanding motor vehicle taxes owed by the registrant must be paid in full. Please allow up to 10 business days after payment for the DMV hold to be removed automatically.

Accounts with unpaid balances are reviewed regularly and may be referred to collections if payments are not received. Delinquent notices are mailed monthly, and payments can be made at any time to avoid further collection action.

USPS POSTMARK CHANGES

USPS recently changed their procedures in which your mail may not be postmarked the same day it is mailed. Being that this office **must** use a U.S. postmark for interest purposes please make sure if you are mailing your tax bill close to the last day, that you go to the post office to get a hand stamped same day postmark to make sure that the date of mailing is the date on your envelope.

A guided 3-mile hike on the Town of Bolton's Greenway

Meeting Location Details

41.785956, -72.428645 In Google Maps

Stony Rd parking lot access to Nathan Hale Greenway

A parking lot is available on Stony Road about a quarter mile from the intersection of Stony Road and Route 6.

Meet members of the Bolton Conservation Commission as we identify the diverse native trees within an unfragmented forest along a newly blazed trail within the Nathan Hale Greenway. Discuss the latest on Proforestation and Natural Area Stewardship, and the advantages of allowing natural processes rather than active management to shape a forest. See a very productive vernal pool, the site of a salamander survey, adjacent to numerous love trees where nature has been allowed to take its course.
