#### Questions and Answers

- Why did we reduce the voting hours for referenda?** The reduced hours will save about \$1,500 per referendum. Based on last year, there could be more referenda this fiscal year than the 4 that the registrars budgeted for. Additionally, taxpayers stated that they do not like the high cost of each referendum (previously about \$5,500 each). The Town ordinance currently establishes referendum voting hours from 12:00 p.m. to 8:00 p.m. State statutes and the Town ordinance authorize the Board of Selectmen to set the starting time for referenda between 6:00 a.m. and 12:00 noon, and the Board may permit longer voting periods at its discretion. This schedule was developed in collaboration with the Registrars of Voters.
- Why do voting locations change for the referenda?** For the health and safety of the poll workers. When the referenda extended into July last year, temperatures reached over 90° in the St. Maurice Parish Center. The extreme temperatures forced the last-minute move to Bolton Congregational Church's Chandler Hall which is air-conditioned. To avoid confusion this year, we will move to the air-conditioned Commons at Bolton High School if the referenda continue into July.
