BUSINESS OF THE MONTH **GEORGINA'S ITALIAN RESTAURANT.**

The Town of Bolton is happy to announce that the Business of the Month for June is Georgina's Italian Restaurant. Georgina's has been a Bolton staple since 1992 and has been serving amazing Italian cuisine ever since. If you are looking for the perfect place to host a party, celebrating an anniversary, or just going out to have some fun, then Georgina's is the place to be.

Georgina's owned by George and Soula Koutouzis. Originally from Hartford, George and Soula were looking for a place to start their own business and found Bolton. Loving the close-knit community and small-town charm, they decided not only to open their restaurant here but to move their family here as well. Raising three kids and running a restaurant, they have made Bolton their home.

So, on behalf of the town, we are proud to announce Georgina's Italian Restaurant as Business of the Month and encourage everyone to stop by. Georgina's is located on Route 44 right before Route 44 and Route 6 intersect.

For more information, check out Georgina's website right [here](#)!

Art Show & Ice Cream Social:

The annual art show and ice cream social was a huge success, with so many BCS families in attendance! Held on Tuesday, May 13th, this event showcased the creative works of Bolton Center School's talented artists! With PTA provided ice cream handed out by BCS teachers, a student-run scavenger hunt, and a "Compliment the Artist" booth, the school was swarming with creativity, and positive energy.

Music Concert:

On the evening of Thursday, May 15th, students in grades 5th through 8th took the stage for their Spring Choral Concert. Fifth graders kicked off the concert with their performance of "When I Grow Up", which was followed by the sixth graders who sang four songs, and continued with the combined 7th and 8th grade chorus singers. The concert concluded with 8th graders, who sang a touchingly beautiful rendition of "A Million Dreams".

Robotics:

The Bolton Bulldogs Robotics team 1227C, known as the Brilliant Brains, proudly represented BCS at the VEX IQ World Championship in Dallas, Texas. Out of 16,000 teams that began the season, they were among the top 800 worldwide to qualify for this prestigious event. Throughout the competition, they collaborated with teams from Nigeria, Belgium, South Korea, and various U.S. states including South Carolina, Oklahoma, and New Hampshire. Their hard work earned them a 48th place finish in the Innovate Division and an impressive 120th place globally in the Middle School Robotics Skills rankings.
