REMINDER FROM TAX OFFICE

Supplemental Real Estate, Motor Vehicle, and Personal Property taxes are currently due. **These bills need to be paid or postmarked by November 3, 2025, to avoid interest.**

Real Estate tax bills that are escrowed by your mortgage lender were sent to them for payment. Use the link below for online payments or to check the status of a payment. [ONLINE TAX LOOKUP AND PAY](#)

If you don't receive a tax bill, please check the link above or call our office for the amount owed. Failure to receive a tax bill does not invalidate the tax and/or interest.

If you plan to use your bank's bill pay, please make sure you allow sufficient time for your bank to process and mail your check so that it is received by the delinquent date. These checks come to us WITHOUT a postmark. Interest will be added if received after November 3rd.

Please go to the Tax Collector's page on the website for more information.

SCRAP METAL October 27- 31, 2025

Curbside scrap metal collection will be held the week of October 27- 31, 2025. Items for collection **must be curbside by Sunday Night, October 26.**

Noncombustible items such as appliances and other metal items weighing up to 100 pounds are acceptable. Gas grill propane tanks need to have the caps removed. Unacceptable items include motor vehicle parts, machinery, and items weighing more than 100 pounds. Please remember this collection is for scrap metal only, not for bulk waste.

Please note that all acceptable scrap metals will be picked up by Friday afternoon. If your items are not picked up by 4 pm on Friday, then you are responsible for getting rid of the items. Any items not picked up can be brought to the transfer station during their scheduled open times. (You will need to purchase a transfer station ticket if this occurs.)

22nd Annual Riffle
Bioassessment by Volunteers
(RBV)

Saturday, October 25, 2025 |
10:00 AM – 4:00 PM
Herrick Park Lodge, Bolton, CT

Join the Bolton Conservation Commission (BCC) for a hands-on stream health survey! Volunteers will help collect and identify macroinvertebrates from local streams – key indicators of water quality. Since 2003, this BCC program has been part of CT DEEP's statewide RBV initiative. We also monitor stream temperatures as part of DEEP's Volunteer Network.

**Help us in the field and at the lodge – no
experience needed!**

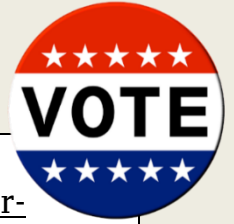

To register, call 860-649-8066 x6110 or email

BCS Community News

Town Hall Meetings:
On October 3rd, students and teachers in kindergarten through grade seven met with administration in the gymnasium one grade level at a time to talk about how the beginning of the school year has been going. There were celebrations of perfect attendance and other honors, as well as reminders of the BARK and academic expectations.

Mad Science:
Treats come in all different forms. On October 7th, the treat for all students in grades K-5 came in the form of the Mad Science program! During the K-5 lunch waves, presentations were given so that students could sample what the after school Mad Science program entails. They were given a little science history and some new knowledge with this interactive, hilarious presentation.

Visit to BHS:
On October 9th eighth grade students visited BHS to see many of the electives they can choose from during their high school experience. Led by 9th and 10th graders, along with 9th grade teachers, BCS students were guided in small groups throughout the school. Some of the stops included a demonstration by woodworking students, students working on art projects including the potter's wheel, enjoying fried rice culinary students cooked to order, special musical pieces performances by BHS students, and more. 8th graders left feeling excited about their next 4 years to come at Bolton High.

What is happening at BHS?

Career & College Fair 2025

Students in grades 10-12 had the chance to visit this year's Career & College Fair at BHS. There were representatives from many colleges & universities, as well as vocational programs and the armed forces.

The number of representatives was so large this year that the fair was moved from the BHS Commons to a much larger space in the gym!

Left: Regan Connor and Joe Maselli hosted an alumni tour for the classes of '74 & '75 during their recent class reunion.

Below: Ms. Bradley and members of BHS Tennis Team teach middle school students how to play tennis. The group meets on Thursdays.

Boys & Girls Soccer Celebrate Senior Night!

Huge thanks to the Manchester Park and Recreation Department and the staff at Charter Oak Park for hosting our Men's and Women's Soccer Team Senior Nights!!
