R. Morra Called the Public Hearing to order at 7:00 P.M. and read the legal notice. Purpose of hearing was to hear public comment on the proposed benefit assessment for 1120 Boston Turnpike, Bolton, CT for Bolton Cosmetic and Family Dentistry. J. Aldrich and Dr. Ilies provided information and data on the proposed operation and water usage. For 3 ½ days per week, 7 full time staff will be working. Due to new technology, they believe water usage would be less than the amount of one EDU.

R. Morra closed the Public Hearing at 7:15 P.M.

Respectfully submitted,
