**Re: Committee Meeting**  
**Date: June 7, 2023**

---

Please be advised that the Public Safety Sub-Committee will hold a meeting on **Monday evening, June 12, 2023 from 5:00PM-6:00PM** in the City Councillor Joseph A. DelGrosso City Council Chamber, Revere City Hall, 281 Broadway, Revere, MA 02151 to discuss the following Council Order(s):

### **23-116**

Motion presented by Councillors Serino and Visconti: That the State Delegation, along with a representative or representatives from MassDOT, appear before the City Council to offer a presentation to the City Council and the residents of Revere about the Sumner Tunnel Restoration Project, along with traffic mitigation plans for the City of Revere, including, but not limited to, the suspension of the bus lane on the Tobin Bridge on Route 1 to allow traffic from the North Shore into Boston to flow during the tunnel closure, as well as any potential exit closures on Route 1A, as happens in East Boston during current weekend closures. The Sumner Tunnel is expected to be closed from July 5 - August 31, and a similar request for MassDOT to update the City Council of the City of Revere, which was made at the March 27th City Council meeting, did not reach the appropriate personnel at MassDOT. The intent of this motion is to have MassDOT update the residents of Revere about the project ahead of the July 5th closure of the Sumner Tunnel going into Boston.
