Ira Novoselsky
Ward Two Councillor

Office of the City Council

To: The Members of the Revere City Council
Mayor Brian M. Arrigo
From: Councillor Ira Novoselsky, Chairman
Public Safety Sub-Committee
RE: Committee Meeting
Date: July 29, 2019

Please be advised that the Public Safety Sub-Committee will meet on **Monday evening, July 29, 2019 at 5:30 P.M.** in the Joseph A. DelGrosso City Council Chamber of Revere City Hall, 281, Broadway, Revere, MA at which time the Council will discuss the following item(s):

- 18-352** Motion by Councillor Rizzo: That the City Council request Dan Cameron from National Grid to appear before a City Council Sub-Committee to discuss measures both the city and residents can take to prepare for winter storms that could cause power outages, and how the city and residents can deal with outages should they occur.
- 18-355** Motion by Councillor Rizzo: That the Mayor instruct the Chief of Police to appear before the City Council to discuss the increase in crime on Broadway, Coolidge Street, and Rose Street as outlined in the October 24, 2018 edition of the Revere Journal.
- 19-098** Motion by Councillor Rotondo: That the Mayor request the Director of Parking to use discretion when enforcing the provisions of MGL c. 90 s. 20A½ relative to the towing of vehicles after receiving five or more violations. Please note that the statute reads, the parking clerk MAY notify - as opposed to SHALL notify - the Chief of Police when requesting a vehicle be towed for delinquent violations. Though towing has been done in the past in accordance with state law, the current enforcement policy of towing any vehicle that has received five or more violations that have not been paid after twenty-one days is draconian and affects the poorest and most vulnerable residents of our community.
- 19-104** Motion by Councillor Rotondo: That the City of Revere look into the feasibility of placing Narcan and AED devices in facilities that serve the public and have public restrooms. The attempt of this motion is to address the issue of overdosing in public bathrooms and the issue of in community heart attacks.
