17. **26-098** Motion presented by Councillor Guarino-Sawaya: That the Mayor request the Massachusetts Department of Transportation and all appropriate state agencies to review and approve the installation of a “Do Not Block the Box” marking on the southbound side of North Shore Road between 1090 and 1096 North Shore Road, directly in front of the Engine 5 Fire Station apparatus bay doors, in the interest of public safety and emergency response access. Further, that the Mayor request expedited consideration of this matter due to the significant safety concerns outlined by Deputy Chief Paul Cheever of the Revere Fire Department, including delays in emergency response, restricted access for fire apparatus entering and exiting the station, and repeated near-collision incidents involving emergency vehicles and the traveling public. Further, that copies of this motion be forwarded to State Representative Jessica Giannino, State Representative Jeffrey Turco, Senator Lydia Edwards, and the Massachusetts Department of Transportation for immediate review and coordination.
