Motions

6. **22-331** Motion presented by Councillor Keefe: That the City Council award a Certificate of Appreciation to Sgt. Joseph Internicola and the leadership at MassBadge who helped organize and execute Revere's annual community Thanksgiving. This year, the event served over 600 people and provided over 100 meals to go, all through charitable and in kind donations from our community members.
7. **22-332** Motion presented by Councillor Cogliandro: That the Mayor direct the DPW to provide the City Council with a list and/or timeline of upcoming water main repairs, street pavings and sidewalk repairs for 2023. This will help us alleviate some communication on the issue as we can respond quickly to residents.

8. **22-333** Motion presented by Councillor Zambuto: That the Mayor request the Policy Writer & Analyst and Fire Prevention to draft an ordinance or special legislation establishing regulations for the licensure of the indoor storage of electric vehicles. There have been numerous reports of electric car batteries igniting and causing fires.
9. **22-334** Motion presented by Councillor Silvestri: That the Mayor request the State Delegation to re-file a bond bill in the next legislative session for the installation of sound barriers along Route One North and South. A bond bill for this purpose was filed in 2020, but not acted upon during the Baker administration.
