## Revere Climate Workshop

Revere City Hall, Council Chambers  
Thursday, March 14, 2024  
6:00-8:00 PM

**Overview:** The Revere Climate Workshop is part of a series of workshops that will help the region's beachfront communities plan for sea level rise and more severe storms. Community members will be able to speak about their hopes for the future of Revere beach as a community asset while we face a changing coast. This workshop will gather recommendations for improving climate resiliency and our response to climate change in the community. More information on this workshop can found at <https://www.savetheharbor.org/mbc-climate>.

You can find out more about the Metropolitan Beaches Commission and download transcripts, meeting materials and prior reports at <https://www.savetheharbor.org/mbc>.

Hybrid Registration: <https://forms.gle/eQ7Q3qBGLxoMkVb16>
