John F. Powers

Ward Five Councillor

Office of the City Council

To: The Honorable Members of the Revere City Council
Donnie Goodwin, DPW Superintendent
From: Councillor John F. Powers, Chairman
Public Works Sub-Committee
RE: Committee Meeting
Date: March 7, 2013

Please be advised that the Public Works Sub-Committee will meet on **Monday evening, March 11, 2013 at 5:00 P.M.** in the Joseph A. DelGrosso City Council Chamber of Revere City Hall, 281 Broadway, Revere, Massachusetts at which time the Council will discuss the following item(s):

- **13-028** Pursuant to MGI c. 166 s. 22, petition from Crown Castle NG East, Inc. for a permit to install conduit and fiber locations to existing utility and street light poles on Franklin and Walnut Avenues.
- **13-055** Motion presented by Councillor Correggio: That the Mayor request the DPW Superintendent appear before the Public Works Sub-Committee to examine the guidelines used for hiring plow drivers to include but not limited to truck size, equipment, and operator capability. I have received many complaints about undersized trucks plowing during the previous blizzard and complaints about damage to parked vehicles. Further, that flags or signage be used on the City of Revere trucks for identifying purposes.
- **13-057** Motion presented by Councillor Powers: That the Mayor request the Superintendent of Public Works or designee to appear before Committee on Public Works on March 11, 2013 at 5:00 pm to advise said committee as to what caused the malfunction of the tide gate that services the Eastern County Ditch. Further, that the City Council be advised as to what steps need to be taken to prevent any further occurrences or failure of the tide gate in question. Also, that the City Council also be advised as to what steps need to be taken to correct the problems in the area of 611 – 660 Revere Beach Boulevard to prevent raw sewage from backing up into homes in that area.
