

How can you
optimize your health
and minimize your
risk of illness while
living with diabetes?

Join the Diabetes Care Rewards Program online at
GoodHealthGateway.com or by calling 800.643.8028

The program, provided at no cost by the City of Revere,
helps you effectively manage your diabetes by

Keeping you current with
recommended **diabetes
labs and exams** with your
doctor.

Developing and tracking
your **Diabetes Health
Action Plan®** guide, a
personalized plan for living
with diabetes.

Helping you track and
share your glucose
readings with your doctor
using a **free, connected
glucose meter, lancets
and test strips**.

Giving you **\$0 copays
on all covered diabetes
medications and supplies**
when you complete your
labs and exams and
develop your action plan.
