Roll Call of Members:

Item#1: Motion to Approve the Meeting Minutes from April 9, 2019

Item #2: CODA- (Commissions on Disabilities Alliance) Chairmen DeCicco had the Monthly Conference call Meeting on Wednesday May 8, 2019. On this call there were continued discussions regarding the vacant position at the AAB (Architectural Access Board). There were also discussions on state ratios apartments in new developments which are accessible for the disabled and also affordable. There seems to be a discrepancy that the ratio does not separate both of these which limits the amount that would be made available. For example if a new development only needs 5% that would be combined for both categories but realistically it should be 5% of each. This percentage is not actual; I am just using it as an example. CODA is looking for ways on how to help advocate change this and will continue discussions at future monthly meetings.

Item#3: Update on State MOD ADA Planning Grant for FY 2019
