As part of a grant received by the ADA Coordinator and Public Health Department, we are asking for your help to fill out a survey regarding the George V. Colella Community Center at the Garfield School.

We are looking to target seniors, people, and families with disabilities, and people with racial and financial injustices. The George V Colella Community Center is located within the Garfield School (176 Garfield Ave) and is operated by the Parks & Recreation Department. The Community Center features a swimming pool and many more programs and activities. If you are a Revere resident, we need your help in completing this survey to understand your needs.

Your feedback is greatly appreciated and matters to us.

The Survey Will Be Open Until The End of Day on March 18th 2024.
