

Opiate Abatement Working Group Agenda

Date: October 30 ,2024

Time: 6PM

Location: SUDHI Office

Focus Groups:

We have had a lived experience and a beavered family member group. If you know anyone willing to come next week as a community member that would be great.

We will need to go to the city council to revise the allotment of money we asked for. We cannot use opiate abatement funds for the warming center. Lauren had a meeting with the Attorney general's office and BSAS regarding funds and it was a no. We can only use funds for projects that. So when we are coming up with effective ideas, please keep that in mind.

We will have a brainstorming activity and come back in the new year with some innovative ideas. If you know anyone with lived experience, please invite them to join us.

Warming Center will still take place and will be next door at the legion and tentatively Jan 2, 2025.

We are in need of yoga mats and zero gravity chairs for the warming center, if you know anyone that is willing to donate these items, please let me know. I have an amazon wish list on our Facebook page.

Business Outreach and Mobile outreach will start hopefully by the first of the year after the RFP and bidding process is complete.

That's all folks!!!! Have a fabulous holiday season, see you next year!!!

We will have no meeting in November and December due to holidays. We will reconvene in January.
