- Warren St:** Northerly (Odd)
- Washington Ave:** Both Sides
- Winthrop Ave (1):** Odd from Beach St to Winthrop Pkwy
- Winthrop Ave (2):** Even Broadway to Beach St

What do you do if your vehicle is towed?

If your vehicle is towed, THE REGISTERED OWNER must come to the police station to obtain a release form. You must have the following:

- License plate number
- Make and model of the vehicle
- The street it was towed from
- A second licensed driver (to drive you to the tow yard)

Please have all of the above when you come to the station. Once you have the release, you will need to go to one of three tow yards to get your car

Helpful Hints

- Prepare for the storm by getting your vehicle off the street and parking it on private property. The less vehicles on the street, the more efficient the plowing clean up will be
- Home and Business Owners are responsible for shoveling the sidewalk in front of their property in a timely manner after the storm. If this is not done, the city reserves the right to remove it at your expense
- Do not shovel snow onto the street
- Before a storm, check in with elderly neighbors to inquire if they need anything (food, medicine). After the storm, assist them in shoveling their sidewalk and walkway so that they can leave their house, or, in the event of an emergency, medical personnel and quickly access the residence
- Unless it is absolutely necessary, stay indoors and allow the state and city plows to clear the roadways
