August 15, 2022

Dustin Balciar, left, and Patrick Alexander of Main Line Fence install a 12-foot high fence Monday at Mike McGraw Park in Lewiston. The fence is a safety measure that will help keep balls from being kicked from the new recreational complex onto Bartlett Street. A four-foot-tall fence will encompass the perimeter of the park that does not run parallel to Bartlett Street, said job foreman Chuck Masselli. *Daryn Slover/Sun Journal*
