

## **JOB POSTING**

### **Customer Service Tech - Engineering**

#### ***What's in it for me?***

- We pay weekly. You will earn **\$55,882 to \$72,664** annually, depending on experience and qualifications.
- You will be home every night.
- We observe **Maine state holidays** which means 13 paid days off - without using your own paid leave! This is complemented by generous sick and vacation time as well.
- You'll be making the world a better place. The work we do is public health and environmental improvement.
- You'll have good opportunities for overtime and advancement including getting paid to obtain water and wastewater licenses
- We pay for 85% of your health insurance (including your family! Or we'll pay you a generous opt-out if you are covered by a comparable plan by your spouse's employer). We pay 100% of your dental insurance. And we provide great retirement savings.
- You'll get lots of fresh air.
- Plenty of professional training on the job.

#### ***What will I do in this job?***

- You'll be part of a skilled engineering team that locates and maintains hundreds of miles of infrastructure in the street, and help improve the accuracy of our asset records.
- You'll have a combination of time in the office and outside.
- You'll help educate customers on backflow prevention and keeping grease out of our sewer system.
- You'll be working with a number of contractors locating our utilities and performing construction inspections of our assets going in the ground.

#### ***What qualifications do I need?***

- High School Diploma or equivalent required, with preference given to those with an Associates Degree in a related field or equivalent experience
- Class C Maine Driver's License

#### ***Sounds good, how can I apply?***
