

## JOB POSTING Distribution Operator

### **What's in it for me?**

- We pay weekly. You will earn **\$29.66** per hour base pay, plus stipends for licensing and longevity.
- You will be home every night.
- We observe **Maine state holidays** which means 13 paid days off - without using your own paid leave! This is complemented by generous personal leave time.
- You'll be making the world a better place. The work we do protects public health and improves the environment.
- You'll have good opportunities for overtime and advancement including getting paid to obtain water and wastewater licenses.
- We pay for 85% of your health insurance (including your family! Or we'll pay you a generous opt-out if you are covered by a comparable plan by your spouse's employer). We pay 100% of your dental insurance. And we provide great retirement savings.

### **What will I do in this job?**

- You'll be part of a skilled team that works together to maintain our water, stormwater and wastewater systems.
- You'll rebuild pumps, use computers to manage systems and analyze trends, test the safety of the water with chemistry, and troubleshoot digital and mechanical systems.

### **What qualifications do I need?**

- Class B Commercial Driver's License
- High school diploma and experience in the operation and maintenance of wastewater treatment facilities, or related experience
- Grade II Water Treatment and Distribution licenses (may be adjusted per DHS Drinking Water Program) or be able to obtain such within 24 months of hire.
