A NEW YEAR'S RESOLUTION THAT COULD PROTECT YOUR HEALTH IN AN EMERGENCY:

Update your contact info with Greater Augusta Utility District.

Here at Greater Augusta Utility District we work hard to ensure you always have clean, fresh drinking water. That said, from time to time, pipe failures and other incidents can cause issues you need to know about.

The best, fastest way for us to let you know about issues that could affect your drinking water—and even wastewater—is to text or email you. And to do that, **we obviously need your up-to-date cell number and/or email address. Which you can provide by scanning the QR code below or visit www.GAUD.ws/update-contact-info, then filling out and submitting the online form.**

Alternatively, you can call our office between 7 AM – 4 PM weekdays at **(207) 622-3701.** You can also choose to email your information to **Contact@GAUD.ws** to add your cell number and email address.

OUR NEED-TO-KNOW STANDARD FOR EMAIL AND TEXT MESSAGING.

Greater Augusta Utility District will never share your cell, email or any personal information. And we will only message you with urgent alerts or advisories if we feel it is necessary for your health and safety. So please take a few moments now to update your contact information and ensure we can reach you quickly should the need arise.
