Old Business

1 – Destiny Nagle – Brown Neighborhood – Map 12 Lot 21-C – Destiny has amended her plans for building. In lieu of a 14' x 52' structure she would like to build a 13'4" x 40' structure. New updated plans attached.

2 – Steve Kutscher – Map 21 Lot 3 – 11 Winter Lane – The original proposed building plan was to add 184 Square Feet to the Southwest corner of the existing camp. The Town of Weld has received now two letters of concern with this proposed project. They are both very concerned that the 15' side setback would be in clear violation of the ordinances we in place. I have reached out to the state for some guidance. They suggested we contact our town attorney. Email from the state attached to original LUP.

Respectfully Submitted,

Mike Stephenson – CEO
