**Household Hazardous Waste:**

The program is through Androscoggin Valley Council of Governments and we have to send a form through to say that the Town of Weld wants to Participate again this year and the dates are 8/6/22 in Mexico and 9/10/22 in Jay.

It was unanimous to participate in the Household Hazardous Waste Program again this year.

**TOWN MEETING:**

The Board went through each article to see if there are any errors or omissions within the articles or the recommendations of the Budget Committee.

An article was added to see if the Town would pay Health Insurance for the Road Commissioner. Through Maine Health Trust the cost would be \$1,086.21 per month, would include Life Insurance and vision. There is no waiting period and coverage would begin the 1<sup>st</sup> of the next Month. Richard also mentioned that last year it was authorized to hire a full time heavy equipment operator, so would this mean that insurance should be for that position also.

After discussion it was suggested to pay for half of the health insurance for the Road Commissioner, which would be \$7,000.

Articles were discussed, questions answered and were accepted and errors corrected.

Celebration of Life for Carol Perez will be April 30<sup>th</sup> at the Town Hall. No Fee

A PA system will be checked into for the Town Hall.
