

## **Recreational Space Committee Agenda 4/23/25**

**Accept Minutes 3/26/25**

**Update on work done since last meeting:**

**Nancy:**

- Progress with court people?
- Efforts with DEP & Permit by Rule
- MELS Application
- Abutter notices written & mailed

**Lise**

- Started the process of applying for Land & Water Conservation Fund (LWCF) project eligibility assessment (PEA) so we can apply for the 2026 grant cycle
  - I have heard back and will have either in person or ZOOM contact in May or June
- Spoke with Robert Jackson at the town garage about developing an estimate if the town were to do the site prep for this project. This could be part of the matching funds we could offer up for the grant.
- I had a ZOOM call with Ron King owner of Natural Playgrounds  
<https://www.naturalplaygrounds.com/>
  - Pricey but lots to offer and will do all the planning we need - has worked all over the country
  - We could also hire the company for planning a build on our own?
- Spoke with Sean about the swale between the tennis court lot and the One School Street lot, he thinks it can be filled in ....

**Others**

**Next Steps**
