

NIGHT SHIFT WORK LIST

Priority 1 streets need to be maintained and sanded on a regular basis w/ preference given to Hospital, Police, Fire and School Zones

Priority 2 streets should be done along with priority 1's but can be skipped over when priority 1 work is behind schedule

Priority 3 work should be done when time allows. Priority 3 work can also be done on the day shift

Priority 4 work should be done on an as needed basis and can be fit into the schedule
