The certification pay was increased from \$1,250 to \$3,000 for Intermediate Certificate and \$3,000 to \$4,500 for Advanced Certificate. PSEA members will receive hours per pay period versus annual hours converted per pay period. The Field Training Officers will only receive 5% pay for hours worked than added to the base rate; however, the contract includes additional roles for the 5% pay (19.1). Should irresolvable differences as to inclusion or exclusion of additional classifications or reclassification to the Bargaining Unit occur, either party may request that the jurisdiction be determined in accordance with Alaska Statutes.

ARTICLE 4 NEGOTIATIONS

Not more than 4 Employee negotiators will be permitted to attend and participate in negotiations during their normal workday without loss of compensation. All negotiators may be assigned to day shift duty for periods of negotiations. Due to the nature of prolonged negotiations members may be required to participate during off duty hours. Off-duty members will not be compensated for their time while required to attend such meetings but will be given hour for hour time off in lieu of time so spent for negotiations. The parties will meet at mutually agreeable times.

It is not the intent of the parties for the negotiators to receive overtime pay while performing negotiation duties in excess of the workday. Designated negotiators will be permitted to use duty time or administrative time to participate in preparation and actual negotiations (and caucuses on negotiation days) should scheduled negotiations occur on members' regular duty days. Nothing prohibits other members from attending negotiations using scheduled leave or off-duty time. Should designated negotiators become unavailable PSEA may substitute negotiators.

ARTICLE 5 CITY – PSEA RELATIONS

Section 5.1 Objective

Recognizing the mutual benefits derived from the process of democratic collective bargaining, the City will not discourage new employees from joining the Public Safety Employees PSEA, Fairbanks Police Department Chapter (PSEA). Neither PSEA nor the City will represent to any employee that union membership is a requirement of employment with the City.

Section 5.2 Employees of the City of Fairbanks

The PSEA agrees that its members, who are employees of the City, will individually and collectively perform loyal and efficient service and that they will use their influence and best efforts to protect the property and interest of the City and to cooperate with the City to this end at all times.

5.2.1 Work Stoppage

The PSEA agrees that during the life of this Agreement, neither the PSEA, its agents, nor its members will authorize, instigate, aid, engage in or condone any work stoppage or concerted slowdown, mass illness, refusal to work, or strike against the Employer.

5.2.2 Lockout

The City agrees that during the life of this Agreement, there will be no lockout.

5.2.3 Duty to Perform

The PSEA further agrees that its members shall cross the picket line of any other organization in order to perform assigned duties.

Section 5.3 City, State, Federal Laws

Any provision of this Agreement judicially found to be in violation of applicable City, State, or Federal law and subsequent amendments thereto is null and void, but all other provisions of this Agreement will remain in full force and effect. In the event any provision of this Agreement is declared unlawful, in a manner described above, the parties agree to meet within 15

days and for a reasonable period thereafter until appropriate substitute clauses have been ratified.

Section 5.4 Absenteeism

The PSEA agrees that it will actively combat absenteeism and other practices which may hamper the City's operation and that the PSEA will vigorously support the City in efforts to improve efficiency and the quality of law enforcement and further to promote good will between the City and the Bargaining Unit members.

ARTICLE 6 MANAGEMENT RIGHT

The City has and will retain the right to represent and manage the City and the City's property and to direct its working forces, including the right to hire, to set staffing levels, to promote and demote, to reclassify, and to discipline or discharge any personnel in its employ for good and just cause in the interest of the City, provided it does not conflict with the provisions of this Agreement. Nothing in this Agreement is intended to, or is to be construed in any way, to interfere with the recognized prerogative of the City to manage and control its business.

ARTICLE 7 PSEA SECURITY

Section 7.1 Agency Shop

7.1.1 Responsibility

It is recognized that PSEA owes the same responsibilities to all Employees and is to provide benefits and services to all bargaining unit members whether or not they are members of PSEA. PSEA reserves the right to charge for representation of non-paying members for union representation in the course of an administrative proceeding with the employer including administrative investigations, grievances, and arbitrations.

7.1.2 PSEA Information

Persons hired in a Bargaining Unit position will be informed, at the time of the employment offer, of their right to become a member of PSEA. The Employee will be allowed up to a maximum of one hour, during normal working hours, to perform the PSEA enrollment activity and shall report to the PSEA office for membership discussion within 10 working days after reporting to work.

Section 7.2 Check off and Payroll Deduction

7.2.1 Dues and Fees

The City agrees to deduct on a regular basis from the payroll check of all PSEA members, the regular monthly dues, assessments and fees, and voluntary contributions of members of the PSEA.

7.2.2 Communication between PSEA and City

The Business Manager of PSEA shall notify the City Finance Department in writing of a decrease or increase in authorized dues or fees deducted. The City shall then make the appropriate changes in payroll deductions. The City shall remit the Employee's authorized PSEA deductions to the duly authorized representative of PSEA, together with a list of the names of the Employees from whose pay deductions are made. All changes in address of Employees must be transmitted to PSEA immediately.

7.2.3 Payroll Deduction Privileges

PSEA, or its designee, has a right to receipts from deductions of PSEA and PAC dues, initiation fees or agency fees, PSEA sponsored insurance premiums, and PSEA sponsored Employee benefits as previously authorized or as may be authorized by the Bargaining Unit Member. No other Employee organization shall be accorded payroll deduction privileges with regard to the Bargaining Unit.

Section 7.3 Payroll Deductions/Direct Deposit

Employees will be accorded payroll deduction and direct payroll deposit privileges to the financial institution of the employee's choice on pay day, limited to two specified deductions and one deposit for the balance of the payment.

Section 7.4 Meeting Space and Bulletin Boards

7.4.1 When not previously reserved, appropriate meeting space in the buildings owned or leased by the City, will be available for meetings of PSEA.

7.4.2 The City shall furnish adequate bulletin boards for use by PSEA. The City shall not unreasonably restrict or interfere with material posted on these boards.

Section 7.5 Discrimination/Relations

No member shall be discriminated against, or penalized for, or restrained from PSEA membership or activities, nor shall the City interfere in the relations between any member and the PSEA.

Section 7.6 PSEA Obligation

The PSEA assumes all obligations and responsibilities for this Bargaining Unit. The PSEA agrees that this Agreement is binding on each member and that its members, individually or collectively, accept full responsibility for carrying out the provisions of this Agreement.

Section 7.7 Sole Representative

The City of Fairbanks recognizes PSEA as the sole representative of all designated positions listed in [Article 19](#) for collective bargaining with respect to salaries, wages, hours, and other terms and conditions of employment; and shall not negotiate or handle grievances with any employee, organization, or individual other than PSEA.

Section 7.8 Employee Representative

7.8.1 Employee Representatives

The Chapter Chair and Vice-Chair of the Fairbanks Police Department Employees Association Chapter of PSEA as well as two other employees, hereinafter called "Employee Representatives" will be designated by PSEA. They must be employees of the Fairbanks Police Department or the Fairbanks Emergency Communications Center and members of the PSEA. The Employee Representatives are permitted during regular working hours to perform their official representative duties handling requests, complaints, and grievances arising under this Agreement. There may be occasions when workload will prevent the granting of such time until a later date. In the absence of compelling circumstances to the contrary, the employee will be made available. Normal protocol will be observed with their respective supervisors prior to engaging in their duties as an Employee Representative. It is agreed that the Employee Representative conducting the representative duties shall, whenever possible, meet outside the presence of other employees. When it is mandatory to conduct grievances or other matters during day shift hours, the Employee Representative and affected grievant(s) may be re-assigned by the Department Head to the day shift duty time to handle these matters, provided that this does not interfere with Department operations.

7.8.2 Employee Representative Compensation

The Employee Representatives will not receive overtime pay while performing Employee Representative duties in excess of the workday, nor may an Employee Representative extend their workday in such a manner as to receive overtime because part of the workday was used to perform Employee Representative duties with approval of the Department Head. An Employee Representative will not be entitled to special privileges.

7.8.3 Employee Representative Lay-off

Notwithstanding any other provision of this Agreement, in the event of lay-offs, the Chapter Chair and Vice-Chair will be the last person(s) within their classification to be laid off. If the entire classification containing a Chapter Chair or Vice-Chair is eliminated by lay-off or reclassification, the Chair or Vice-Chair has no greater seniority rights within a lower classification for which they are eligible to "bump down" into (if any exists)

than is otherwise conferred by this Agreement. If both the Chair and Vice-Chair work in the same classification, the Chapter Chair will be the last person laid off.

Section 7.9 PSEA Staff

PSEA staff will be permitted to visit work areas at reasonable times consistent with workload and operational needs. Such representatives will be recognized by the City as having the final authority to speak for the PSEA in all matters covered by this Agreement.

ARTICLE 8 GRIEVANCE PROCEDURE

Section 8.1 Objective

It is the mutual desire of the City and the PSEA to provide for the prompt adjustment of grievances in a fair and reasonable manner, with a minimum amount of interruption of the work schedules. Every reasonable effort will be made by both the City and the PSEA to resolve grievances at the earliest step possible. In the furtherance of this objective, the City and the PSEA have adopted the following procedure.

Section 8.2 Definition

A grievance is defined as any dispute arising from the interpretation, application, or alleged violation of a provision of this Agreement. However, any dispute involving the commencement date or termination of this Agreement will not be considered a grievance and will not be submitted to the grievance-arbitration procedure set forth herein, but instead any such questions concerning commencement or termination of this Agreement will be specifically reserved for judicial review. Any written resolution of a grievance (at any level of the grievance procedure) will be binding upon both parties.

Section 8.3 Step One

When an employee has a grievance, the employee (accompanied by a PSEA representative if the employee chooses) shall verbally discuss the matter with their immediate supervisor and attempt to resolve the problem. The grievance must be brought to the attention of the immediate supervisor within twenty (20) business days of the employee reasonably having knowledge of the grievance. If the grievance cannot be resolved through verbal discussion, the grievance must be formalized in writing, signed by the member, and presented to the immediate supervisor within five (5) business days of the oral discussion. The grievance shall state the article and section number of this Agreement allegedly violated and the way the member believes that section has been violated. The immediate supervisor shall investigate the grievance and shall indicate in writing a response to the grievance within five (5) business days following the day

on which the written grievance was presented. The immediate supervisor will deliver the written grievance and their response to the next level of supervision, with a copy to the grievant(s), and the PSEA. If the grievance is not resolved, the Step One procedures may be repeated at every level of supervision until the grievance delivered to the Department Head. The five (5) business day time frame applies for each level within this step and delivery of the grievance to the Department Head.

Section 8.4 Step Two

Grievances not settled in the first step may be delivered to the Department Head who shall attempt to settle the grievance within 10 business days after the submission of the grievance. Within this time frame, the Department Head shall meet with the grievant, PSEA Representative, and other witnesses as appropriate and attempt to resolve the issue(s). The Department Head shall mail or deliver a written decision to PSEA within this 10 business day time frame. If the written decision of the Department Head is not satisfactory to the grievant, they shall have 5 business days to decide if they wish to appeal the grievance to Step Three.

Section 8.5 Step Three

After receipt of a grievance the City Mayor or Mayor's designee shall have ten (10) business days to meet with all involved parties and to issue a written decision to PSEA. If the response states that the nature of the grievance and/or the portion of this Agreement allegedly violated is not stated or cannot be determined from the documentation submitted, the party submitting the grievance may, within five (5) business days, amend or augment the documentation submitted. If amended or augmented, the City shall have five (5) additional business days to submit a final written response. If the decision of the City is unsatisfactory to the grievant, PSEA may, within ten (10) business days of the delivery of the decision, demand that the matter be submitted to binding arbitration.

Section 8.6 Arbitration

8.6.1 Arbitration Notice

The arbitration notice must include the nature of the matter to be arbitrated and the Agreement provision(s) allegedly violated. When the demand to submit a grievance to binding arbitration is made, PSEA and the City shall meet at a date and time mutually agreeable within 10 business days to select an arbitrator. Upon the failure of the parties to agree upon an arbitrator, both parties agree to request the Federal Mediation and Conciliation Service to submit a list of nine names of persons, with prior service as a neutral arbitrator involving the interpretation of Collective Bargaining Agreements who are available for service within six months of request. Within 5 business days of receipt of the list, the City and PSEA representatives shall alternately strike one name from the list until one name remains. The side to strike the first

name will be chosen by lot.

8.6.2 Findings

Arbitration of the grievance will commence as soon as agreeable. The Arbitrator shall make a written report of their findings to PSEA and the City within 20 business days of the conclusion of the hearing or 20 business days following submission of any post- hearing briefs. The Arbitrator will be governed by Labor Arbitration Rules of the American Arbitration Association (AAA) as amended and in effect at the time the grievance is filed. The decision of the Arbitrator is final and binding on both parties to this Agreement and enforceable under the provisions of AS 09.43.010-180, as may be amended.

8.6.3 Arbitrator

The authority of the Arbitrator is limited to the application and interpretation of this Agreement. The arbitrator shall consider and decide only the specific issue or issues submitted in writing and shall have no authority to decide other issues. The Arbitrator has no authority to amend, alter, modify, or otherwise change the terms or scope of this Agreement. The final decision of the Arbitrator must be implemented as soon as possible, but not later than 30 days after the final decision is rendered.

Section 8.7 Single and Multiple Grievances

Each grievance or dispute will be submitted to a separately convened arbitration proceeding, except where the City and PSEA mutually agree to have more than one grievance or dispute submitted to the same arbitrator. Multiple grievances relating to a single issue will be consolidated into one proceeding heard by a single arbitrator. Any dispute as to consolidation will be resolved by written motion without testimony by the first arbitrator chosen to resolve a series of grievances where consolidation is sought.

Section 8.8 Expense

The City and PSEA shall bear the expense of their respective representatives and witnesses. The other expenses involved in such arbitration proceeding will be paid by the non-prevailing party, as determined by the Arbitrator.

Section 8.9 Witness

Any member called as a witness by either side will continue to receive their regular rate of pay while attending the hearing but not to exceed the member's regular working hours. Should the meetings be scheduled outside of the member's regular working hours, or extended beyond the

regular working hours, no compensation will be paid by the City for the time outside regular hours. Off-duty members will not be compensated for their time while required to attend such hearings but will be given hour for hour time off in lieu of time so spent at arbitration hearings.

Section 8.10 Decision Time Frame

Except for appeals of disciplinary actions in accordance with Article 8, when any matter in dispute has been referred to the Grievance Procedure set forth above, the conditions and provisions prevailing prior to the time the dispute arose will not be changed until the decision is rendered. If the Arbitrator so rules, the decision will be made retroactive to the time the dispute began.

Section 8.11 Grievance Submission Level

In the event either party, after notice, fails to answer a grievance within the time required at any step of the Grievance Procedure, or either party fails to appeal the answer given to the next step of the Grievance Procedure within the time allowed, the grievance will be considered settled against the side which has defaulted. However, any of the time limits or required steps of the grievance arbitration procedure may be extended or waived by written mutual agreement of PSEA and the City. Before either party claims a default, it will give a courtesy call to the other party. Grievances settled by default will not be the basis of establishing the precedent for the settlement of any other grievance.

Section 8.12 Originating Step

Any grievance that originates from a level above [Step One](#) of the Grievance Procedure will be submitted directly to the step or level from which it originates.

Section 8.13 PSEA or Class Action Grievance or Unfair Labor Practices

Grievances filed by PSEA on behalf of itself or as a class action shall be filed at [Step Three](#). Similarly, the City will notify the PSEA of any perceived unfair labor practices by the PSEA and the parties will use timelines described in Step Three.

ARTICLE 9 EMPLOYEE BENEFITS AND RIGHTS

Section 9.1 Retirement

The City and all employees covered under this Agreement will participate in the Public Employee's Retirement System of Alaska administered by the Public Employee's Retirement Board of the State of Alaska, and any other mutually agreeable plan or plans.

Section 9.2 Health Benefits

9.2.1 **Health Insurance**

For each member, the City shall contribute the required monthly employer premium to the Alaska State Employee Association's applicable insurance plan.

9.2.2 **IRS 125 Plan**

The City agrees to make available and maintain a pre-tax IRS section 125 plan account at the election of each employee as allowed under federal law.

Section 9.3 Deferred Compensation

Employees covered by this Agreement will continue to be eligible to participate in the City's deferred compensation programs.

Section 9.4 Injured Employee Rights & Responsibilities (Non-work-related injury)

9.4.1 **Temporary Incapacity**

When a member becomes injured and temporarily cannot perform their normal duties and has an evaluation from an appropriate medical professional indicating light duty would be appropriate, the City will endeavor to assign the member to a light duty assignment.

9.4.2 **Permanent Incapacity**

If a member is determined by an appropriate medical professional to be, permanently unable to perform their normal job functions, the PSEA and the City agree that:

9.4.2.1 The member employee may be terminated subject to grievance/arbitration procedures.

9.4.2.2 For a period of 12 months following the finding of permanent incapacity, if a position exists within the PSEA Unit that the permanently incapacitated member qualifies for and can perform, they will be given preference in the hiring process for that position. It will be the responsibility of the member to monitor potential job openings and apply.

9.4.3 **Workers' Compensation Laws**

Nothing in this section abrogates any provision of Workers' Compensation law or rules or any requirements of state or federal law.

Section 9.5 Work Related Injuries

9.5.1 Injury or Disability

Members who suffer an injury or disability which is covered under the provisions of state Workers' Compensation are entitled to the protections and provisions of those laws, as such apply at the time of the injury/disability. If a competent medical authority deems that an employee will never be able to perform their regular assigned tasks, they will be separated on the same basis as a lay-off due to a reduction in force, subject to recall to a position which is within their ability to perform without job modification, and at the appropriate pay rate generally accorded the new position.

9.5.2 Paid Administrative Leave

A paid administrative leave of absence for up to 12 consecutive months from the date of the discovery of an initial injury/illness will be provided for a member who has suffered an illness or injury in the line of duty that would normally qualify them for Workers' Compensation. In such instances, the member may be assigned work at the discretion of the department providing such work assignment does not adversely affect the nature of the illness or injury. Should it be determined that the member will not be eligible to return to full duty and if the member applies for retirement and the retirement is granted prior to the expiration of the 12 months of administrative leave, the department's obligation under this provision is then nullified. It is the intent of this provision that a member would be fully compensated for that period covered by administrative leave. Members will retain their Worker's Compensation check and notify Payroll of any change in status or compensation. When the member returns to duty, to ensure the member's PERS contributions are made whole, the member will complete the PERS Workers Compensation and LWOP Claim and Verification form and submit it to the PERS Administrator. When the PERS Administrator determines the member's indebtedness the member will submit a copy of the memo from the PERS Administrator with the indebtedness amount to Payroll. Payroll will work with the member to set up a payroll deduction for repayment or lump sum payment. In the event a lump sum payment is issued it is incumbent upon the member to pay the PERS indebtedness amount directly to the PERS Administrator.

In extraordinary circumstances, the parties may mutually agree to modify the provisions of this section. This provision does not apply to probationary recruit employees in training at the academy. These employees, however, are subject to eligibility under the Alaska Workers' Compensation Act.

9.5.3 Light Duty

When, due to a work-related injury, a member becomes injured and

cannot perform their normal duties and has an evaluation by an appropriate medical professional indicating the employee may perform light duty, the City shall endeavor to assign the member to light duty in regular pay status.

9.5.4 Federal and State Law

Nothing in this section abrogates any provision of Workers' Compensation law and rules or any provision of federal law regarding employment of the disabled, to include the Americans with Disabilities Act.

Section 9.6 Physical Examination

Each member will be provided the opportunity to have a biennial physical examination, beginning during their second year of employment, by an appropriate medical professional. The City will pay all costs of this examination, without the consideration of the member's health insurance. The City shall not receive or maintain any report of the employee's examination, other than to be notified if the member is not fit for duty. The City reserves the right to require physical examinations as a screening tool for physical fitness testing. Results of this examination will be limited to whether the employee can participate in testing, or any testing limitations.

Section 9.7 "For Cause" Examination

When a documented incident or incidents raise specific questions for the City regarding an employee's physical mental or psychological ability to perform their normal work assignments, the City may order an examination, including all relevant controlled substance test procedures, by an appropriate medical professional. The cost for this examination shall be borne by the city.

If the medical professional determines the employee is permanently incapable of performing their normal work assignments due to their physical, mental, or psychological ability, the City may place them in a classification they can perform within the Department. Should no classification be vacant, and no reasonable accommodation be available that would allow the employee to perform the essential functions of their job, the employee will be laid off or terminated subject to any applicable procedures within this Agreement. Nothing in this section in any way lessens the City's obligation to reasonably accommodate an employee's disability by assignment to another position provided that, with reasonable accommodation, the employee can perform the essential functions of the other position.

If a medical professional determines that employee is temporarily incapable of performing their assigned duties, the employee will follow the medical professional's plan of recovery. The medical professional must clear the employee to return to work before returning.

9.7.1 Physical “For Cause” Examinations

For physical examinations, the City may select an appropriate medical professional.

The employee will follow all recommendations regarding rehabilitation from any physical injury, and the City will be allowed access to the timeline for recovery as anticipated by the physician. If the employee fails to reasonably follow the physician’s recommendations for recovery, the employee may be laid off or terminated subject to any applicable procedures with this Agreement regarding lay-offs and seniority.

If the physical injury occurred while the employee was off-duty and the timeline for recovery is longer than twelve months, the employee may be laid off or terminated subject to any applicable procedures within this Agreement regarding layoffs and seniority. The employee reserves the right to use accrued leave or compensatory time to extend the twelve-month period.

If the physical injury occurred while the employee was on duty, and the timeline for recovery is longer than twenty-four months, the employee may be laid off or terminated subject to any applicable procedures within this Agreement regarding lay-offs and seniority.

If, while recovering from an injury, the city or department finds a suitable classification for the employee to work in temporarily, and the employee refuses to work within that classification, the employee may be laid off or terminated subject to any applicable procedures within this Agreement regarding lay-offs and seniority.

9.7.2 Mental and Psychological “For Cause” Examinations

The City may select any licensed psychologist or psychiatrist to complete the assessment for psychological or mental examinations.

To ensure impartiality and fairness, once the City has selected its preferred psychologist or psychiatrist, which may be a group, company, or agency, the City will not change the chosen evaluator without prior agreement from PSEA. Upon selecting the designated psychologist or psychiatrist, the City will provide PSEA with the provider’s name, locations, and contact information. It is the City’s responsibility to verify that its chosen provider is competent to provide such evaluation(s).

If, during the first evaluation, the medical expert decides that no treatment plan will allow the employee to return to work within six months, the City

will select a second similarly competent medical professional to provide a second opinion. The second opinion must not come from a medical professional who works for the same group, company, or organization as the original medical professional.

If both medical professionals agree that no treatment plan will allow the employee to return within six months, the employee may be laid off or terminated subject to any applicable procedures within this Agreement regarding layoffs and seniority. Should the second medical professional suggest a plan that would allow the employee to return to work within six months, the advice of that medical professional will be followed.

The City reserves the right to place the employee on administrative leave, light duty, or leave without pay while awaiting the second evaluation.

Should the employee refuse to reasonably follow the treatment plan provided by the medical professional, the employee may be laid off or terminated subject to any applicable procedures within this Agreement regarding lay-offs and seniority.

After completing the treatment plan, should the employee still be deemed unfit to return to work, the employee may be laid off or terminated subject to any applicable procedures within this Agreement regarding layoffs and seniority.

Any employee terminated by the City under Section 9.7 may be considered exempt from any financial responsibility related to bonuses and/or other financial agreements agreed to between the City and the employee prior to their employment with the City.

Section 9.8 Indemnification

9.8.1 Cause

In the event any action or claims are made by a person or entity against any employee or their estate for actions done while in the scope of City employment, the claim will be defended by the City and any liability incurred by the employee or estate as a result will be paid by the City, provided that, any actions or claims, defense of liability resulting therefrom will not be paid by the City if the action or claims are based upon acts or omissions of the employee resulting from recklessness, gross negligence, or intentional misconduct. In the event the City Council may, by ordinance, enact indemnification provisions that provide added protections to employees, such indemnification provisions will apply to this bargaining unit.

9.8.2 Settlement

In the event the City resolves an action or claim involving a member for purely pragmatic reasons not involving any misbehavior by the employee, the City will issue a letter to the employee stating the reasons for the settlement, with a copy placed in the employee's personnel file.

9.8.3 City Ordinance

This section shall be read in conjunction with the terms of any City ordinance providing for indemnification of City employees and the protection of both this section and the ordinance will apply, provided that, in the event of any conflict, the provisions providing the maximum protection to the employee will prevail.

Section 9.9 Training

The City will endeavor to provide commissioned officers and dispatch personnel with 40 hours per year of training or the functional equivalent, excluding firearms qualifications, and state or federally mandated training such as Haz-mat and Blood Borne Pathogen training that are not discretionary and will be provided.

Absent an unforeseen emergency, active canine (K-9) teams will be afforded a minimum of 4 hours of training time each week during regular duty hours.

Section 9.10 Conduct Based Investigation

The City and the PSEA agree that it is imperative that all investigations of claims of member misconduct are conducted by the City in a manner which upholds the highest standards of the Department, preserves the faith of the public in the integrity of the department and its members, and also protects and safeguards the rights of the members. To ensure that any such investigations are conducted in a manner that is conducive to good order and discipline, the parties agree to the following provisions:

9.10.1 Investigation of conduct subject to criminal action only:

- 9.10.1.1 If a member is under investigation by the City, whether instituted by the City or as a result of a complaint being filed against the member, and the member is interrogated or interviewed by the City agents for conduct that may subject the member to criminal prosecution, the member must be given the same Miranda Warning that is then currently in use by police officers of the City when conducting interviews of criminal suspects.
- 9.10.1.2 A member's position with this Department does not afford them any greater or lesser rights than are enjoyed by other citizens of this City and State when subject to criminal investigations or proceedings.
- 9.10.1.3 Any such investigation and interview/interrogation shall be conducted in accordance with existing criminal law and

procedures currently in effect in this State.

9.10.2 Investigation of conduct subject to both criminal and administrative actions:

- 9.10.2.1 If a member is under investigation, instituted by the Department or because of a complaint being filed against the member for alleged conduct that may result in both administrative actions (disciplinary or punitive) and criminal prosecution, the City shall not "merge" the criminal investigation and the administrative investigation, but shall instead conduct separate and distinct investigations, each conducted by a different person. Information gained in the Criminal Investigation may be used as a foundation for the Administrative Investigation. Prior to a criminal interview/interrogation the member must be advised of the Miranda Warning that is then currently in use by police officers of the City when conducting interviews of criminal suspects. The member will also be informed when it is contemplated that the matter may be referred to a criminal prosecutor for review.
- 9.10.2.2 In the course of the administrative investigation of the allegation(s), a member refusing to respond to questions or submit to interview/interrogation must be informed that failure to answer questions which are specifically directed and narrowly related to the performance of their official duties, including cooperation with other agencies involved in criminal investigations, may subject the member to disciplinary charges, including insubordination, which may result in their dismissal from the Department. Compelled statements so given in an administrative investigation will not be used against the member in any criminal prosecution, nor will the City provide any form of such statements to any other person or agency unless so ordered by a court of competent jurisdiction. In the event of demand for production of the contents of such statements, the City will notify the member of the demand, and will assert the privilege on behalf of the member.
- 9.10.2.3 All compelled statements given in the course of an administrative investigation may be used against the member in relation to any subsequent departmental administrative charges which may result in disciplinary or punitive actions against the member.
- 9.10.2.4 If the member so requests, any interview/interrogation will be suspended for a reasonable period to allow the PSEA representative or counsel to attend. The representative may not be a person subject to the same or related investigation.
- 9.10.2.5 Any interview will be held at a mutually agreeable location provided by the City.

9.10.2.6 The interview must be recorded, and a copy of the recording must be provided to PSEA.

9.10.3 Investigation of conduct subject to disciplinary or punitive action only:

- 9.10.3.1 If a member is under administrative (noncriminal) investigation instituted by the Department or as a result of a complaint being filed against the member for conduct that may subject the member to administrative disciplinary or punitive action only, the investigation will be conducted in accordance with the safeguards listed below.
- 9.10.3.2 When available, the member must be notified of the investigation in a timely fashion not to exceed one week (5 business days) from the time that the complaint is discovered by the Department Head, except for investigations of "on- going" type of conduct.
- 9.10.3.3 The member must be informed of their rights as specified in this section as well as the name and authority of the officer in charge of the investigation. The member must also be informed of the name of all persons who will be present during the interview/interrogation, and questions may be asked by no more than two interviewers at any meeting.
- 9.10.3.4 Before an interrogation/interview is commenced, the member must be informed of the nature of the investigation and provided a list of all known allegations. Except for anonymous complaints, the member must be informed of the name(s) of all complainants.
- 9.10.3.5 The member shall not be subjected to offensive language or threatened with punitive actions, except that a member refusing to respond to questions or submit to interview - interrogation must be informed that failure to answer questions which are specifically directed and narrowly related to the performance of their official duties, including cooperation with other agencies involved in criminal investigations, may subject the member to disciplinary charges, including insubordination, which may result in their dismissal from the Department.
- 9.10.3.6 The member is entitled to a PSEA representative or counsel selected by PSEA present at an interview / interrogation. The PSEA representative may question the member as well as offer rebuttal as necessary. The representative may not be a person subject to the same or related investigation.
- 9.10.3.7 If, prior to or during the interview/interrogation of a member, it is deemed that they will be charged with a criminal offense, the member must be immediately informed of the Miranda Warning

that is then currently in use by police officers of this City when conducting custodial criminal interviews of suspects and a separate criminal investigation will be initiated in accord with Section 9.11.

- 9.10.3.8 In the event the City chooses to proceed criminally against the member for a violation of the law and the member so requests, the interview/interrogation will be suspended for a reasonable period of time to allow the PSEA representative or counsel to attend. The representative may not be a person subject to the same or related investigation.
- 9.10.3.9 The member or the City may record the interview / interrogation after advising that a recording will be made. Each may have access to other's recording, if any are made.

- 9.10.4.5 No promise of reward may be made as an inducement to answering any question.
- 9.10.4.6 Any interrogation/interview must be conducted at a reasonable hour, preferably at a time when the member is on duty, or during the normal waking hour of the member, unless the seriousness of the investigation requires otherwise.
- 9.10.4.7 The interview may only be voice recorded; video recording will only be used upon prior "case by case" written approval of the Department Head. Records of the interview must be provided by the City to PSEA.

- 9.10.4.8 The interview shall be held at a location provided by the City that is mutually agreeable to both PSEA and the City.
- 9.10.4.9 No PSEA elected official may be compelled to testify about any knowledge that they have gained as a result of their office.
- 9.10.4.10 During the interview/interrogation, the member will be allowed to attend to bodily functions as necessary.
- 9.10.4.11 The member will be compensated at the overtime rate if the interview/interrogation is conducted at a time other than the employee's working hours. Means the investigation revealed an act of misconduct or violation not alleged in the complaint.

Section 9.11 Use of Lie Detector Devices

No member may be compelled to submit to a Lie Detector exam against

their will. The exercise of this right may not in any way be used against the member in any disciplinary action nor will testimony or evidence of the refusal be admissible at a subsequent hearing, trial or other proceeding. This does not preclude the use of a Lie Detector Device where the member and the Department mutually agree to its use, nor does it mandate that a member has a right to demand a Lie Detector Examiner investigation.

Section 9.12 Financial Disclosure

No member may be required to disclose personal information, including but not limited to property possessed, sources and amounts of income, debts, and personal or domestic expenditures (including those of any member of their family or immediate household), unless any of the following conditions exist:

- 9.12.1 Such information is obtained under proper legal procedure;
- 9.12.2 Probable cause to suspect a conflict of interest with respect to the performance of their official duties; or
- 9.12.3 It is necessary for the Department to ascertain the desirability of assigning the member to a specialized unit assignment in which there is a strong possibility that bribes or other inducements may be offered.

Section 9.13 Searches

No member may be subject to unreasonable search and seizure. Members enjoy the right to privacy in their individual work areas, lockers, electronic devices maintained by the employee for work purposes, or other space provided by the Department. Searches of these areas may be conducted in the member's presence, with the member's consent, with a valid search warrant, or when the member has been notified in advance (at least 24 hours) that a search will be conducted. This provision does not prevent the Department from conducting routine inspections of work areas, break areas, locker rooms, vehicles, and other Department owned or leased facilities and equipment, for cleanliness, neatness, serviceability, compliance with directives, and other needs of the Department for the welfare of its members and successful completion of its mission. Nothing in this section prevents the Department from retrieving equipment, reports, or other items needed for the continuance of operation from a member's locker or other secured space when the member is not available.

Section 9.14 Political Activities

9.14.1 In Uniform

All members are prohibited from engaging in political activities at any time

ARTICLE 10 FAIRBANKS POLICE DEPARTMENT (FPD) WORK RULES

Section 10.1 General Rules

10.1.1 Hours of Work and Work Week

The work week shall be seven calendar days beginning at midnight (12:00 am) on Sunday through 11:59 pm on Saturday. The work schedule for employees shall, at the discretion of the Employer, be any combination of no less than eight (8) hour, or more than twelve (12) hour shifts. The Employer shall not change the shift configuration (i.e. 2-12-hour & 1-10-hour shift) for patrol police officers and patrol sergeants other than when the annual bid cycle takes place, unless an emergency situation exists.

10.1.2 The Employer may approve alternate/flexible schedules, if requested by non-patrol commissioned officers (e.g detectives, Drug Unit, SRO, Traffic, K9), as defined below.

- a) 5/8s. Employees may be assigned to work five (5) consecutive eight- (8) hour days on duty, followed by two (2) consecutive days off. The daily starting and ending times for employees working a 5/8 schedule will be consistent with the standard operating hours of the work group to which the employee is assigned.
- b) 4/10s. Employees may be assigned to work four (4) consecutive ten - (10) hour days on duty, followed by three (3) consecutive days off.
- c) Flex Time. Upon mutual agreement, non-patrol officers may be allowed to work days of different lengths or different days in response to an employee request or the City's business need; such requested schedule change shall be within the officer's established work week.

10.1.3 **Annual Patrol Bid Cycle.** The Employer will normally put forth an annual patrol shift schedule for the upcoming year by no later than November 1st of each year. The bid for shifts and days off will normally start November 1st of each year. The results of the shift bid shall be posted by the Employer as soon as practical, but no later than December 1st of each year. The new schedule will normally take effect January 1st of the following year. New Employees are eligible to bid for a shift and days off at the next annual bid cycle only after successful completion of their probationary period.

While seniority shall be the prime factor in the selection of shifts and days off. PSEA agrees with the Employer that a balance of skills, certification, tenure, and specialty assignments are necessary amongst shifts for efficient and effective operation of the department. In accordance with this philosophy, the order for shift bidding will be as follows.:

1. Sergeants (most senior in position to least senior in position)
2. Corporals (most senior in position to least senior in position)
3. The Chief of Police will place employees who are not eligible to bid into the schedule, based on the needs of the employer.
4. Officers (most senior in position to least senior in position)
5. The Chief of Police has the option of placing into the schedule any employee on a current Performance Improvement Plan:
 - The basis of placing the employee outside of the bid in step 4 will be a demonstrative skill in a particular squad which will facilitate successful completion of the PIP.
 - The junior member of the squad the PIP member will be placed into will swap squad assignments with the PIP member. At the conclusion of the PIP, the two employees will go back to the bid assignments from step 5.
6. The Chief of Police can only alter the bid if the bid creates a significant imbalance of specialties between the different squads and with the agreement of PSEA. This includes, but not limited to the following examples: SWAT, FTO, firearms instructors, defensive tactics instructors, and EVOC instructors.

10.1.3.1 Shift Bidding

In the event a member would be forced to work the same shift beyond two tour rotations, that member may be bumped up in seniority for that one tour bid. Shift preference will be used to bid each shift as provided in this section and subsections. No member may remain on the same shift more than four consecutive rotations. There will be triannual shift rotations.

10.1.4 Supervision by Family Member

Employees may not bid a shift which would require them to be evaluated by or to evaluate a member who is a relative, cohabitant, or significant other, or where a romantic/sexual, or business relation exists. This provision applies to shift, not overtime bidding. However, the Department Head has the ability to require either employee to move to a different shift.

10.1.5 Reporting Late for Duty

When members report for work later than the scheduled starting time, they will be placed on leave without pay for the period of their absence, and their finishing time will not be extended to make up for the lost time. Periods of less than one-half hour will be deducted in half hour increments.

10.1.6 Shift Swaps

Shift swaps, to be used as a judicious management tool, are allowed under this Agreement if approved by the Department Head.

10.1.7 Maximum Consecutive Hours Worked

Except for work performed in an emergency or life-threatening situation, no member may routinely work more than 14 consecutive hours if other employees are available. The parties further agree that there are situations, such as shift change day, and certain days where a member will occasionally be required to work more than 12 non-consecutive hours in a day.

- 10.1.7.1 Any member who is forced to work any hours which prevents them from having 48 consecutive hours off for those employees working 10- or 12-hour shift schedules, or 24 hours off for those employees working an eight-hour shift schedule, will be paid at the basic rate plus shift differential, if any, multiplied by 1.5 and 0.5 compensatory time. (Any forced hours worked within the 48 consecutive hours off or 24 consecutive hours off will be paid at the basic rate plus shift differential, if any, multiplied by 1.5 plus, 0.5 compensatory time.) An exception to this rule is Court Duty.

10.1.8 Temporary Assignments

Temporary assignments, except for training duties or operational necessity, will be for three years and may be extended by the department head.

10.1.9 Hardship Request

Upon application of a member to the Department Head, a member may be reassigned to any shift/assignment due to personal hardship or other approved reason.

10.1.10 Newly Promoted Assignments

Newly promoted employees will be assigned a shift until the next regularly scheduled Shift Preference Bid.

10.1.10.1 Plan for Individual Improvement Scheduling

Employees placed on a "Plan for Individual Improvement" will be assigned a duty schedule by the City. Upon successful completion of the Plan, the employee's right to bid shift preference will be restored at the next shift bidding.

Section 10.2 Pay for Working in a Higher Classification. Temporarily Working Out of Class and Acting Appointments

Any Employee who is assigned by the Department Head the responsibilities and the duties of a classification for more than one hour, other than the classification the Employee normally holds, will be paid at the same step on the higher classification rate when filling the classification. Any Employee who is assigned duties of a position below the classification which the Employee normally holds, will continue to be paid at the rate the Employee normally receives. Members will not be required to work outside their classification for a consecutive period beyond six months in a calendar year unless otherwise agreed between the City and the PSEA.

Section 10.3 Schedule Changes

When making Employee schedule changes, the Employer shall notify the Employee of any contemplated change in writing or electronic notification at least seven calendar days prior to the effective date of the change. If the Employee is not given at least seven calendar days' notice of the change, the Employee will be paid at the rate of time and one-half for all hours worked on the first day of the new schedule. Additional hours scheduled prior to an Employee's regular starting time are not schedule changes when the regular workday is also worked. This provision does not apply to temporary deviations to an Employee's schedule caused by

unforeseen circumstances outside the control of the Employer.

10.3.1 Employee Training

In accordance with Section 10.6.1.1, the Employer may temporarily adjust an employee's normal schedule to accommodate training associated with maintaining the operational effectiveness and efficiency of the department.

Section 10.4 Court Attendance

10.4.1 On-Duty Attendance

Members required to appear for court as a result of actions performed in the line of duty will suffer no loss in regular earnings but will be compensated during service at the member's rate of pay if on duty. Any witness fees must be turned over to the City.

10.4.2 Off-Duty Attendance

If members are off-duty, they will receive pay at the appropriate overtime rate with a three-hour minimum, unless court is within 3 hours of the employee's regularly schedule shift start time, then they will be paid for actual hours worked. The appearance requirement of the off-duty employee is limited to what is necessary to appear and attend at court.

10.4.3 Jury Duty

Any member who is required to serve on jury duty during a normally scheduled workday will be reassigned to dayshift for that day. Any payment for jury service will be signed over to the City, and the member will receive their normal wage for that day. Should the member be excused from service, they are expected to report to their supervisor and complete the remaining hours of their workday.

Section 10.5 Shift Definitions and Shift Differential Pay

10.5.1 Day Shift

The "day" shift is any shift beginning between 0500 hours and 1159 hours. Shifts beginning during the "day" shift hours are paid no shift differential.

10.5.2 Swing Shift

The "swing" shift is any shift beginning between 1200 hours and 1859 hours. Shifts beginning during the "swing" shift hours are paid a 5% shift differential.

10.5.3 Midnight Shift

The "midnight" shift is any shift beginning between 1900 hours and 0459 hours. Shifts beginning during the "midnight" shift hours are paid a 10% shift differential.

All overtime will be paid the shift differential for the time in which the overtime starts. For example, if someone on swing shift went into overtime at 1900 they would receive the midnight shift differential.

Section 10.6 Overtime / Premium Pay
(See also, [Article 4](#) and section [8.9](#))

10.6.1 Pay Increments

All work performed by an employee which has been authorized by the employer in excess of the regularly scheduled shift for regular full-time employees shall be paid at the basic rate, plus any shift differential, multiplied by 1.5. An employee's overtime that is joined before or after their regular shift shall be considered a shift extension and not callback time. Overtime shall be measured in one-half increments.

10.6.1.1 The parties have adopted a twenty-four (24) day Section 7(k) work period under the Fair Labor Standards Act for all patrol officers and patrol sergeants in the bargaining unit working the current shift (2-12 hour & 1-10-hour shift). If shift schedules change to a seven (7) day rotation, a twenty-eight (28) day Section 7(K) work period will be adopted.

10.6.2 Personal Leave Used

Personal Leave, other than for injury or illness, taken during a day does qualify as work time for purposes of computing overtime worked beyond scheduled shift hours on a single day.

10.6.3 Short Notice Vacancies

For purposes of this section, "short notice" means less than 11 hours' notice from time of notification until the start time of the shift needing to be filled.

10.6.3.1 Filling Vacancy with On-Duty Staff

When members are needed to meet personnel requirements on short notice, overtime will first be offered on a seniority basis to on-duty members in the needed classification, and then to members in the needed classification who are scheduled to work the next shift. If neither of those classification members volunteer by seniority, the Department may require that the on-duty member with least

seniority in the needed classification remain on duty until other personnel can be located and report for duty.

10.6.3.2 Filling Vacancy with Off-Duty Staff

The member called on short notice to work overtime from off duty status will be paid for actual overtime worked, with a minimum of three hours of overtime, if the work shift is 3 hours prior to the employees regularly schedule shift.

10.6.4 Posting of Staffing Overtime

Overtime will be determined by posting a volunteer overtime list. Overtime will be offered to employees bidding, based upon departmental needs, giving preference to classification seniority within the needed classifications.

10.6.4.1.1 Order of Officer Staffing:

Police Officer
Sergeants
Lieutenants
Detectives

10.6.4.1.2 Order of Supervising Staffing:

Lieutenants

10.6.6 Other Overtime

All other overtime will be bid out based upon departmental seniority.

10.6.7 No Volunteers / Forced Overtime

In the event no volunteers are obtained in the above processes, then overtime will be assigned in order of inverse order of seniority. However, absent an emergency or life-threatening situation and to avoid employee "burnout", no member will routinely work more than 14 consecutive hours nor be forced to work all of their off-duty days. In such instances, the next least senior member may be assigned to work.

10.6.8 Errors in Awarding Overtime

Should the City, by error or omission, violate the provisions of this section by failing to offer overtime work to a senior eligible member who could have worked the overtime, then the overtime work will be offered to senior member(s) at a mutually agreeable time, for the same number of hours originally worked. An overtime situation need not exist for this time to be worked.

10.6.9 Minimum Call Back Rate

An employee who is called back to work after having left the premises shall receive call back pay of a minimum of three (3) hours at the overtime rate of pay. An employee called in to work when they have taken leave during that 24-hour period will reduce the number of leave hours by a minimum of three (3) hours and not receive overtime (i.e., employee calls in sick and is called in to a meeting during the same 24-hours period will reduce the leave by a minimum of three (3) hours and not put in for callback time.

10.6.10 Flex Schedule

Nothing in this agreement bars the City and the PSEA from agreeing upon a "flex" schedule.

The Department Head shall designate members and determine the call-out of special elements of the department, i.e., Tactical Team, Sexual Assault Unit, Traffic Units, Canine Units. Flexible scheduling is an essential element of these units.

Compensatory time (to a maximum of 240 hours) may be taken and used in the same manner and terms as personal leave (when mutually agreeable by the employee and Department Head). Employees may carry 80 hours of comp time into the next calendar year. Any comp time over 80 hours that is not fully scheduled or used by December 31 of each year will be paid by the City to the employee by January 31.

10.8.2 Payment on Separation from Service

Should a member separate from service for any reason, the member's

compensatory time will be paid at termination at the dollar value in effect at the date of termination.

Section 10.9 Meal Break

A meal break of 30 minutes will be allowed on each shift. Those employees who are subject to recall to work on their meal break will be considered in on-duty pay status during the meal break. In the event of either denial of meal break or recall from the meal break, the member will be given the chance or opportunity to eat as time permits.

Section 10.10 Relief Breaks

All members shall be allowed one relief break not to exceed 15 minutes in duration during the first half of the shift, and 15 minutes during the second half of the shift. When working overtime, paid relief breaks of 15 minutes will be taken every two hours. When working other than a regular shift, 15-minute relief breaks may be taken every two hours.

When time changes to or from Alaska Standard Time, members will be paid only for actual hours worked.

Section 10.12 Training Requirement

Any person hired to perform the duties of any position covered by this Agreement must successfully complete training and be capable of performing all required duties of the position prior to working in solo capacity. Solo capacity means working independently without direct supervision as determined by the Department Head.

Section 10.13 Officer Vehicle Program

The parties agree to continue an officer vehicle availability program. The parties agree that the operation, continuation, and guidelines of this program are at the City's discretion.

A Sergeant will be paid at a 5% premium above their current base wage rate while working as acting Shift Commander.

10.14.3 Acting Lieutenants

If mutually agreed upon by the City and the incumbent, the assignment may be extended. Except for just cause, Lieutenants in these assignments may not be removed prior to completion of a two year assignment.

Section 10.16 Standby

Members may be required to periodically report their whereabouts in order to be available for work on short notice. In such instances, the member's names will be placed on a standby roster for the designated period of time of such a requirement. Assignments to a standby roster, as well as the direct callouts from such an assignment, will be equitably rotated among members normally required to perform the anticipated duties.

If a member is required to be on call for immediate recall to work, the member will be paid one hour at the overtime rate for each period of 12 hours or less of standby. When assigned to standby on a non- floating holiday, the member will receive two hours of overtime for each time period of 12 hours or less of standby.

11.5.1 Day Shift

The “day” shift is any shift beginning between 0500 hours and 1159 hours.

11.5.2 Swing Shift

The “swing” shift is any shift beginning between 1200 hours and 1859 hours. All members assigned to swing shift will receive a shift differential of five percent (5%).

11.5.3 Midnight Shift

The “midnight” shift is any shift beginning between 1900 hours and 0459 hours. All members assigned to midnight shift will receive a shift differential of ten percent (10%).

Section 11.6 Overtime / Premium Pay (See also, [Article 4](#))

11.6.1 Payment Increments

Overtime shall be measured in one-half hour increments.

11.6.2 First Day of the Week

For purposes of this section, the employee’s first duty day establishes the first day of the week.

11.6.3 Employee’s Twenty-Four-Hour Day

For purposes of determining overtime, the employee’s twenty-four (24) hour period begins at the beginning of the employee’s scheduled normal duty start time.

11.6.4 Personal Leave Used

Personal Leave, other than for injury or illness, taken during a day

qualifies as work time for purposes of computing overtime worked beyond scheduled shift hours on a single day.

11.6.5 Shift Differential Applied to Overtime

When a member works overtime hours on a shift that qualifies for shift differential pay, the employee will be paid the overtime rate plus applicable shift differential.

11.6.6 Overworked 12 Hours in a 24-Hour Period

Those hours of work forced over 12 hours in any employee's 24-hour day will be paid at the basic rate plus shift differential multiplied by 1.5, plus 0.5 compensatory time.

11.6.7 Overworked Forced Over 12 Consecutive Hours

Those hours of work forced over 12 consecutive hours will be paid at the basic rate plus shift differential multiplied by 1.5, plus 0.5 compensatory time.

11.6.8 Volunteered Overtime

All volunteered overtime is paid at the basic rate, plus any shift differential, multiplied by 1.5.

11.6.9 Short Notice Vacancies

For purposes of this section, "short notice" means less than 24 hours' notice from time of notification until the start time of the shift needing to be filled.

11.6.9.1 Filling Vacancy with On-Duty Staff

When members are needed to meet personnel requirements on short notice, overtime will first be offered on a seniority basis to on-duty members in the needed classification, and then to members in the needed classification who are scheduled to work the next shift. If neither of those classification members volunteer by seniority, the Department may require that the on-duty member with lowest bucket level in the needed classification remain on duty until other personnel can be located and report for duty.

11.6.9.2 Filling Vacancy with Off-Duty Staff

The member called on short notice to work overtime from off duty status shall be paid for actual overtime worked, with a minimum of two hours of overtime.

11.6.10 **Long Notice Overtime - (Greater Than 72-Hour Notice)**

When members are needed to meet shift staffing requirements known at least 72 hours prior to the actual assignment.

11.6.10.1 Posting of Staffing Overtime

Overtime will be determined by posting a volunteer overtime list. Overtime will be offered to employees bidding, based upon departmental needs, giving preference to departmental seniority for Dispatch Staffing Overtime.

11.6.10.2 Order of Dispatch Staffing:

Supervisor

Dispatcher

11.6.11 **Other Overtime**

All other overtime will be bid out based upon departmental seniority.

11.6.12 **Overtime Bidding – Voluntary**

Will be available for bidding known vacancies through the Auctions module of Telestaff. Auctions will be opened for bid as needed to fill vacancies.

11.6.12.1 Sign-up All

The Telestaff “Sign Up All” feature will be used for awarding any additional long-term overtime after the initial monthly auction has been awarded. The senior member who has signed up for the available shift will be awarded the overtime.

11.6.13 **No Volunteers / Forced Overtime**

In the event no volunteers are obtained in the above processes, then overtime will be assigned in inverse order of seniority. However, absent an emergency or life-threatening situation and to avoid employee "burnout", no member will routinely work more than 16 consecutive hours nor be forced to work overtime on all of their off-duty days. In such instances, the member with the lowest bucket level may be assigned to work.

11.6.14 **Force Overtime**

For long notice overtime where no volunteers are obtained, the Telestaff “buckets” feature will be used to determine the appropriate employee to force for the vacancy. If either party desires to change the

type of time, or time period used to calculate the time bucket, a change can be made on mutual agreement.

When forcing a member to work overtime would result in NDO or WFO due to hours in a day or the number of days worked in a week, the next least senior member will be assigned to work. There will be some instances where other members are not available, or the required tasks must be completed by the specific member which would supersede this rule.

11.6.14.1 Qualifying Time for Buckets

For purposes of this Agreement, overtime of all types will be tallied in the employee's time bucket.

11.6.14.2 Time Period for Buckets

For purposes of this Agreement, the time bucket will be reset to zero at the beginning of each rotation.

11.6.14.3 System Outage

In the event Telestaff is unavailable for bidding auctions or forced fill through the time bucket feature, all overtime bidding will revert to a manual paper process. Volunteered overtime will be awarded by seniority and forced overtime will be assigned in order of inverse seniority and applicable working rules.

11.6.15 **Special Mission Overtime**

The Department may assign overtime for specific missions of limited duration based upon the qualifications of the member and/or the specific needs of the assignment.

11.6.16 **Errors in Awarding Overtime**

Should the City, by error or omission, violate the provisions of this section by failing to offer overtime work to a senior eligible member who could have worked the overtime, then the overtime work shall be offered to senior member(s) at a mutually agreeable time, for the same number of hours originally worked. An overtime situation need not exist for this time to be worked.

11.6.17 **Minimum Call Back Rate**

Members reporting to work and not put to work shall receive two hours pay at their regular rate unless notified not to report at the end of their previous workday or two hours prior to the start of the shift.

11.6.18 Flex Schedule

Nothing in this agreement bars the City and the PSEA from agreeing upon a "flex" schedule.

Section 11.7 Compensatory Time Off

11.7.1 Compensatory Time

Employees who work overtime may elect, in lieu of being paid overtime, to accrue compensatory time at the rate of 1.5 hours for every hour of overtime. Compensatory time (to a maximum of 240 hours) may be taken and used in the same manner and terms as personal leave (when mutually agreeable by the employee and Department Head). Employees may carry 80 hours of comp time into the next calendar year. Any comp time over 80 hours that is not fully scheduled or used by December 31 of each year will be paid by the City to the employee by January 31.

11.7.2 Payment on Separation from Service

Should a member separate from service for any reason, the member's compensatory time will be paid at termination at the dollar value in effect at the date of termination.

Section 11.8 Meal Break

A meal break of 30 minutes will be allowed on each shift of eight hours or greater in duration. Those employees who are subject to recall to work on their meal break will be considered in on-duty pay status during the meal break. In the event of either denial of meal break or recall from the meal break, the member will be given the chance or opportunity to eat as time permits.

Section 11.9 Relief Breaks

All members will be allowed two 15 minute breaks for every eight hours worked and one additional 15 minute break for each additional four hour increment.

Section 11.10 Time Changes

During Daylight Savings Time changes, members will be paid only for actual hours worked.

Section 11.11 Training Requirement

Any person hired to perform the duties of any position covered by this Agreement must successfully complete training and be capable of

performing the required duties of the position prior to working in solo capacity. Solo capacity means working independently without direct supervision as determined by the Department Head.

Section 11.12 Shift Supervisors Acting as Department Head

When the Department Head is unavailable to perform their duties, the Mayor retains the right to appoint an Acting Department Head of their choosing.

11.12.1 Acting Department Head Standby

Standby provisions as outlined in Section 11.13 applies to times when the Acting Dispatch Center Department Head is not on duty but available to report to work as needed.

11.12.2 Acting Department Head Pay

Shift Supervisors working as acting Department Head will be paid at the Department Head's 100% rate of pay for regular duty hours. Any overtime will be paid at the Shift Supervisor's rate of pay following any applicable overtime rules.

Section 11.13 Dispatch Supervision

11.13.1 Acting Supervisor

Acting Shift Supervisor may be used on a continuing basis for a period up to 12 months, which may be extended by mutual consent. Acting Shift Supervisor enjoys all emoluments of regular Shift Supervisor during the period they are in acting capacity.

11.13.1.1 Pay Calculation

Acting Supervisors will be paid at their current step on the Dispatch Supervisor pay scale.

Section 11.14 Standby

Members may be required to periodically report their whereabouts in order to be available for work on short notice. In such instances, the member's names will be placed on a standby roster for the designated period of time of such a requirement. Assignments to a standby roster as well as the direct callouts from such an assignment will be equitably rotated among members normally required to perform the anticipated duties.

11.14.1 Immediate Recall

If a member is required to be on call for immediate recall to work, the member will be paid two hours of pay at the overtime rate for each time period of 12 hours or less of standby. When assigned to standby on a non-floating holiday, the member will receive four hours of overtime for each time period of 12 hours or less of standby.

11.14.2 Standby

Standby pay is for the purpose of compensating the member for being available for work. Standby pay is not intended as compensation for any work performed by the member and will be paid in addition to any applicable compensation in the event the member is recalled to duty. Members on standby status must remain available by telephone and must remain physically and mentally fit for immediate duty. Standby may not be used to avoid maintaining minimum staffing levels as set by the Department.

Section 11.15 Schedules

The City reserves the right to implement any 40 hour per work week schedule that provides at least two consecutive days off per seven-day period and does not violate provisions of this agreement.

ARTICLE 12 HOLIDAYS

Section 12.1 Holidays

The following days are considered holidays with no deductions in pay:

New Year's Day	-	January 1
President's Day	-	3rd Monday in February
Memorial Day	-	Last Monday in May
Independence Day	-	July 4
Labor Day	-	1st Monday in September
Veteran's Day	-	November 11
Thanksgiving Day	-	4th Thursday in November
Christmas Day	-	December 25

And such other days as the City Council, by Resolution, may fix as holidays for all City employees. Should any other City employees be awarded any holidays in addition to the above, such additional holidays will be holidays for the members of this Bargaining Unit as well. In addition, each member will receive two paid personal days of leave each year, to be scheduled at the mutual consent of the parties. A personal holiday does not carry over to successive years and has no monetary value: if not taken each year, it is lost. Personal holidays are defined to be equal to the members current assigned duty hours.

Section 12.2 Weekend Holidays

A designated holiday will normally be observed on the calendar day on which it falls, except that non-sworn members who are regularly scheduled to work on Monday through Friday will observe the preceding Friday when the holiday falls on Saturday, and will observe the following Monday when the holiday falls on Sunday. Normally only those members designated in advance by the appropriate supervisor will be required to work on a designated holiday.

Section 12.3 Holiday During Leave

If a holiday falls during an employee's vacation or extended leave due to illness/injury, the employee will receive holiday pay equal to that employee's regular scheduled shift for the holiday and will not be charged leave time for that day. Regular employees on lay-off will be paid holidays if they have worked or received compensation for any part of the month in which the holiday occurs.

Section 12.4 Holiday Compensatory Time

A member who works a holiday under this article may elect to accrue compensatory time off at the appropriate rate in lieu of receipt of monetary payments pursuant to this Article.

ARTICLE 13 LEAVE

Section 13.1 Personal Leave

13.1.1 Personal Leave Accumulation

Personal Leave accumulates at the rate shown below. Employment for eight or more days shall be considered employment for a full pay period for the purpose of computing personal leave.

One - Two Years: 7 hours per pay period

Three – Five Years: 9 hours per pay period

Over Five Years: 10 hours per pay period

13.1.2 Personal Leave Cap

The maximum leave bank accumulation for an employee is 600 hours. At the end of a calendar year any employee that has over 600 hours, will have their unscheduled leave in excess of 600 hours cashed out on their final paycheck of the calendar year.

Effective 31 Dec 2022, any employee who has over 600 hours accumulation of leave will be able to use the Grandfather clause one time and one time only:

Grandfather Clause: Employees who exceed the 600 hours of leave accumulation will be grandfathered in without a cap. If this clause is used, and they then drop below 600 hours, all leave in excess of 600 hours will be cashed out on their final paycheck of the calendar year. Effective December 31, 2029 all employees must be below 600 hours of leave.

Section 13.2 Leave Requests

Scheduled personal leave may be taken at any time mutually agreeable to the Department Head, or designee, and the employee. When Personal Leave is used for illness, the employee must notify the supervisor not later than one hour prior to the employee's scheduled reporting time. Such use of Personal Leave may not be denied. The parties agree to work together to prevent the misuse of Personal Leave as sick leave.

Section 13.3 Scheduled Personal Leave

13.3.1 Personal Leave Scheduling

Except in emergency situations, members' scheduled Personal Leave may be taken at a time agreeable with the employee and consistent with operational requirements. Vacation schedules will be bid and be awarded by the amount of unused personal leave. The employee with the most Personal Leave on the date of a request, less any previously approved but unused leave, will be number one for bid purposes. If personal leave is equal, classification seniority will determine priority. An employee must notify the Department Head through their supervisor at least one day in advance when not more than two days of leave are desired, or at least one week in advance when longer periods of leave are desired. Leave requests for periods of leave in excess of two days will be considered confirmed if not denied to the employee by the appropriate authority within five working days of the request. The written denial must be given to the employee.

13.3.2 Leave Denied, Cancelled, or Terminated

An employee's scheduled leave may be denied, cancelled, or terminated by the Department Head when the leave is not consistent with operational requirements. In case of such denial, the leave will accrue until taken.

13.3.3 Leave Usage

Only earned leave may be requested or taken. Employees may not take scheduled Personal leave until the completion of field training. On a case-by-case basis, Department Head may approve leave outside of this section.

Section 13.4 Termination

Upon termination, of any employee covered by this Agreement, accrued Personal Leave will be cashed out at 105% of the current value.

Section 13.5 Draw down of Personal Leave

Employees may elect to “cash out” leave hours at 105% of the current value, provided that members may not “cash out” below 80 hours. The “cashed out” hours may be directed to be deposited into the employee’s Deferred Compensation account. Cash outs are not considered compensable hours for pension benefit payments, which will not be included in the cash out payment.

Section 13.6 Exceptions Regarding Leave Cash-Outs

13.6.1 Leave Cash-out for Deferred Compensation

Employees electing to use their leave bank cash out for Deferred Compensation catch up are exempt from the hour limit on Personal Leave draw down.

13.6.2 Leave Cash-out for Hardship

In the event of a financial, medical, or personal hardship affecting the Employee or their spouse and/or dependents, or other special circumstances as approved by the Mayor, the Employee will, upon request to the Employer, receive payment for all accrued Personal Leave. If a dispute arises as to what constitutes a hardship, a Labor-Management Committee with two representatives from each party will convene. If the Committee's decision results in a tie, the Mayor will decide the issue. The Employee will receive payment within seven business days of the request for payment.

13.6.3 Leave Cash-out Change in Job Status

A laid off or reclassified Employee who has bumped or moved into a lower paying job classification will be credited with Personal Leave at the value it accrued on the day prior to reclassification.

Section 13.7 Military Leave

An Employee who has completed their probationary period and who is a member of any reserve component of the United States Armed Forces will be allowed a leave of absence for required training or duty for a period not exceeding 20 working days per calendar year. Such military leave will be with basic rate if all military pay, not to include reimbursements for lodging, food, etc., the Employee receives for the duties performed on such leave is paid to the City. The Mayor may grant additional periods of

military leave in the event of hardship due to an extended involuntary employee call up in conformity with federal and state law.

Section 13.8 Family Medical Leave Act

The City will comply with the Family Medical Leave Act and the Alaska Family Leave Act.

Section 13.9 Donated Leave

Employees may assist other Employees in time of need, with Department Head approval. The following is the vehicle for that purpose:

13.9.1 Minimum Hours Donated Leave

Each Employee wishing to donate Personal Leave will submit their donation of not less than four hours in accordance with Department policy.

13.9.2 Donated Leave Conversion

The leave will be converted to the cash value of the donating employee's leave and paid to the receiving employee at their equivalent hourly rate.

Section 13.10 Business Leave

13.10.1 Business Leave Annual Donations

There is hereby created a chapter business leave bank which will be administered by the City with a monthly report of the balance and withdrawals provided to the Chapter Chair. The Chapter Chair reserves the right to require employees to transfer up to four hours of annual leave into the chapter leave bank. Such request will only be made upon approval of the Executive Board and only if the balance in the bank is not sufficient to cover withdrawal requests.

13.10.2 Voluntary Business Leave Donation

In addition, any employee at the employee's option may transfer additional annual leave to the Bank. Transfers may be made at any time during the duration of this Agreement with no maximum limit of the number of days, except that any employee may not transfer more leave than is posted on the employee's annual leave balance at the time of the authorization. The employee's leave balance will then be reduced by the amount of leave transferred to the Bank.

13.10.3 Business Leave Withdrawal

Withdrawal requests from the Bank will be for purposes designated by the Chapter Chair and the Chief Financial Officer will be notified. The release of employees for chapter leave will be handled on the same basis and release from duty for annual leave, except that such release may not be unreasonably withheld by their supervisor.

ARTICLE 14 PAY PERIODS

Section 14.1 Pay Periods

Pay periods covering days worked from the 1st to the 15th and from the 16th to the last day of the month will be established. Pay days will normally be on the 15th and the last day of each month. If pay day falls on Saturday, Sunday, or a holiday, then pay day will be the last scheduled work day before the break period.

Section 14.2 Employee Time Sheets

14.2.1 Leave and Earnings Statement

The City will furnish each member with an itemized statement of earnings and deductions specifying hours paid, straight time, overtime, personal leave pay, holiday pay, and other compensation payable to the member which is included in the check. Pay checks will be available no later than 1200 hours on each pay day, except for circumstances beyond the control of the City.

14.2.2 Time Sheet Changes

Changes to a member's time sheet will be forwarded to the member and the Administrative Assistant as soon as possible and prior to the next scheduled pay day.

Section 14.3 PERS Contribution

The City will make available during regular business hours to each member an itemized accounting specifying both the Employer's and Employee's contributions to the PERS system for that employee.

ARTICLE 15 PROBATION

Section 15.1 Probationary Period

All Department employees will serve a probationary period effective from the date of hire and extending six months beyond Field Training and Evaluation Program (FTEP).

Section 15.2 Promotional Probation

The probationary, or working test period, is an integral part of the promotion process. It will be used to observe closely the member's work, to secure the most effective adjustment of a new or promoted employee to their position, and to dismiss a probationary member whose performance does not meet required work standards.

15.2.1 Probation Length

Employees who are promoted or transferred at their own initiative will complete a probationary period of six months for all positions, however, the employee may be demoted to their former position at any time during this probationary period without the right to file a grievance.

Section 15.3 Extensions to the Probationary Periods

The probationary period may be extended under certain circumstance where the employee's work performance is not able to be observed closely, as follows:

- 15.3.1 Personnel who have been placed on Leave Without Pay (LWOP) will have their probationary period extended for the like number of days they are not able to perform their duties or are away from work.
- 15.3.2 Administrative Leave (Disciplinary or Criminal). Personnel who are placed paid or unpaid Administrative Leave as part of a disciplinary or pre-disciplinary process, Internal Affairs (IA) Review, and/or criminal investigation will have their probationary period extended for the like number of days they are not able to perform their duties and are away from work.
- 15.3.3 Plans for Improvement Extension. Personnel who are within their initial or promotional probationary periods and are placed on an Individual Plan for Improvement will have their probationary period extended beyond the 6 months period. The extension will be set to an appropriate number of days that would be reasonable to allow the employee to successfully meet their plan for improvement requirements and to satisfactorily fulfill the job standards and requirements.
- 15.3.4 Other Non-Disciplinary Circumstances. Personnel who are in their initial probationary period of employment and are absent from duty due to no-fault of their own or because of unforeseen circumstances not listed above, defined but not limited to FMLA, physical injury, light duty, or other circumstances which prevent them from performing their regularly assigned duties, and/or which do not allow close observations of their work performance in their primary position, may have their probationary period extended for the like number of days they are not present to perform their duties.
- 15.3.5 Physical or other injuries that result in a fitness for duty evaluation while within their initial hire probationary period may result in termination of employment.

- 15.3.6 Personnel who have been extended must be notified in writing using the Professional Development Form (PDF) and must acknowledge by signature of the action plan listed on the PDF form.

Section 15.4 Pay During Probation

After the first 6 months of probation the employee will move to the appropriate step on the pay scale.

Section 15.5 Returning to Bargaining Unit

Employees who accept a promotion out of the Bargaining Unit are entitled to bump back to their former position in the Bargaining Unit if they do not successfully complete probation in the promoted position. Employees who bump back are entitled to regain their Bargaining Unit seniority as of the date they accepted promotion. If the employee's former position is not available, the promoted employee will have first preference to occupy any vacant Bargaining Unit position for which the employee is otherwise qualified, but in no event will a promoted employee be permitted to bump a Bargaining Unit employee into a lower rank or lay-off status.

ARTICLE 16 LAY-OFF AND RECALL

Section 16.1 Lay-off

The Department Head, upon approval of the Mayor, or designee, may lay off an employee when deemed necessary by reason of shortage of funds or work, the abolition of the position, or other material changes which are outside the employee's control and which do not reflect discredit upon the service of the employee. The City will meet with the PSEA to consider any alternatives to lay-offs. The duties performed by any laid off employee may be re- assigned to other employees within that classification who are already working. A lay-off of less than 24 months, after which the employee returns to work at the first available opportunity, is not considered a separation. Longevity credits for purposes of completing probation, pay anniversary date, and the accumulation of leave benefits will be suspended during the period of lay-off.

Section 16.2 Lay-off Bumping

In case of lay-off, the sequence of downward bumping will be in accordance with the following classifications. Regular full-time employees will take precedence over part-time or temporary employees:

Police:
Lieutenant
Sergeant
Detective
Police Officer/Investigator
Administrative Assistant

Evidence Custodian
Clerk

Dispatch:
Shift Supervisor
Dispatcher
Administrative Assistant
Call Taker
Clerk

Section 16.3 Lay-off Order

16.3.1 Inverse Seniority

Lay-offs will be made in inverse order of seniority within the affected classification, except as provided elsewhere in this Agreement for Chapter Chair and Vice-Chair. Except when moving into the Police Officer classification, a laid off member will be allowed to move into any parallel or lower classification where the laid off employee has more overall Department seniority than the least senior person in that classification. In the case where a laid off member seeks to move into the Police Officer classification, departmental seniority alone will govern.

16.3.2 Notification of Lay-off

The member will have five business days from the date they receive the lay-off notice and a lay-off list of all positions in the classification seniority group in which to exercise an election. Each member displaced by this procedure will, in turn, have the right to use this procedure.

16.3.3 Seniority Determination

If two or more members have identical classification group seniority or departmental seniority, the order of lay-off will be determined by the following:

16.3.3.1 A veteran will be given preference over a non-veteran in accord with Alaska Statutes.

16.3.3.2 In any case that cannot be determined by the application of veteran's preference, seniority will be determined alphabetically by last name at the time of hire.

16.3.4 Other Classification Lay-off

No regular or probationary member may be laid off while there are emergency, temporary, provisional, seasonal, or volunteer members serving in the same classification group performing work which could

reasonably be assigned to regular or probationary members, based upon the minimum qualifications for the classification.

16.3.5 Non-Bargaining Unit Employee

No permanent Bargaining Unit employee may be laid off because a non-Bargaining Unit employee wishes to return from their position to a Bargaining Unit position.

16.3.6 Other Classification Hiring

No temporary, provisional or seasonal members may be hired while regular or probationary member(s) are on lay-off status unless no laid off member offered the position accepts. A laid off member may reject a non-permanent job without losing lay-off recall rights. Notice to the laid off member must include the estimated duration of the job if the City reasonably expects the position to be less than full-time regular.

16.3.7 Temporary Recall

If the City hires a recalled member for a position which lasts 30 days or less, the recalled member will receive 15% above base wage in lieu of benefits.

16.3.8 Permanent Recall

If the position lasts over 30 days, the recalled member will be given regular status during the period of recall. In such event, the recalled member is not entitled to the 15% in lieu of benefits.

Section 16.4 Written Notice

In every case of lay-off or proposed lay-off of any regular or probationary member, the City shall give the member at least 60 days written notice in advance of the effective date. Concurrently, all members on the lay-off list from which the laid off member may exercise an election must receive notice of the lay-off, its effective date and the possibility of being displaced. The member laid off through the displacement process must receive notice in advance of the potential lay-off and at least 10 business days written notice in advance of the effective date of actual lay-off.

Section 16.5 Lay-off Procedure

16.5.1 Lay-off List

Procedure upon lay-off. The laid off member will be placed on the lay-off list for that classification group from which the member was laid off, and for the Bargaining Unit. Recall rights exist for five years from the effective date of the lay-off.

16.5.1.1 The classification lay-off list will be ranked in inverse order of lay-

off. The recalled position will be offered to the first member on the classification lay-off list.

- 16.5.1.2 If the seniority group lay-off list is exhausted and eligible member(s) decline appointment or are not available, then the position will be offered to the qualified member with the most City seniority of those members on the Bargaining Unit lay-off list. In order to receive recall notice from the bargaining unit lay-off list, the member must provide written notice to the City at the time of lay-off of interest and possession of skills and abilities to perform the available jobs. The City must exhaust the Bargaining Unit lay-off list.
- 16.5.1.3 The laid off member who is offered a recall must have the skills and abilities to perform the position for which recalled. Vacant positions which are to be filled may be filled through promotion provided no member is on lay-off from the classification. However, if later again vacated, the position may subsequently be filled only in accordance with this article.
- 16.5.1.4 Upon recall to the original position, the member's salary will be adjusted upward, step for step, to the appropriate range.
- 16.5.1.5 If a member is recalled to a position in which he/she has attained regular status, the recalled member shall be appointed to that position as a permanent member. If a member is recalled to a position in which he/she has not attained regular status, the recalled member shall be appointed to that position as a probationary member.

Section 16.6 Notice of Recall

Notice of recall must be sent to all eligible laid off members by Certified Mail to the last address provided the City Personnel Office by the member and to the PSEA office in writing. The members on the recall list must within 14 days after receipt of the recall notice notify the City in writing as to their decision regarding the recall offer. The member at the top of the recall list will have the first opportunity to accept the position provided they possess the qualifications for the position being recalled. If the City does not receive notice as required above from the member first eligible for recall within 14 days of when the recall notice was postmarked, then that member goes to the bottom of the recall list, and the next individual on the list who responded to the notice of recall and who possesses the qualifications for the position will be offered the position.

ARTICLE 17 SENIORITY

Section 17.1 Termination of Seniority

Department Seniority will be terminated upon:

- Discharge
- Resignation
- Lay-off for a period of five years or more, or inability to return to work from a job-incurred injury or illness of five years or more.
- Willful abandonment of position (Failure to report for duty within three days following approved absence).

Section 17.2 Seniority Preserved

Department Seniority will not be interrupted by:

- Periods of approved leave, including Workers' Compensation absences
- Military leave for Reserve Training
- Active military duty when recall for such duty is beyond the control of the member
- Promotion out of the Bargaining Unit during the first six months
- Retirement disability up to five years
- FMLA

*Any periods of Leave Without Pay (LWOP) other than list above will result in seniority being frozen for all periods of absence.

Section 17.3 Seniority Defined

The member with the longest term of credited service with the Department will be number one on the Department Seniority list and all other members will be listed accordingly. For Seniority purposes, credited service begins the day Field Training or applicable initial department training is completed. The Department shall yearly prepare and prominently post a Department Seniority roster in each work area of the Department. Seniority, as defined in this Agreement, will in no way conflict or interfere with the designation of any member as senior for command purposes on a detail or case.

Section 17.4 Seniority Promotion/Demotion

17.4.1 Promoting Outside of Bargaining Unit

If a member is promoted into a classification in the Department outside this Bargaining Unit, their classification seniority will continue to accrue in their former position for up to six months after promotion. Thereafter, the Bargaining Unit and classification seniority of the member promoted outside the Bargaining Unit terminates.
