MISSIONS NEWS

NEIL & KATHY VANARIA – ITALY – The Vanaria have been blessed with adding Tiffany Day to their staff. Tiffany has a teaching profession and has restarted ministry to children. They also continue to teach basic Italian to refugee local women. Many have never attended school but need to pass a written and oral exam for their documents. Neil continues to provide snacks, laundry services, and bike repair for men living in local camps. He drives many to medical appointments. Many times refugee men try to et a bike as soon as possible to be able to travel to town and to find work. Niel often would see men pushing their bikes rather than riding them. He began repairing bikes, and teaching bike maintenance as so many of these bicycles were unsafe, lacking brakes as well as safe chains and tires. One of the men cried after Neil had helped him.
