

## **Brenda Clark**

Brenda Clark is a Maintenance Coordinator who has worked in the paper industry for 40 years. She is experienced in the training and development of skilled trade employees, and equipment reliability. Brenda earned her Bachelor's Degree from Thomas College. She serves on advisory boards for education and community development programs and was on the United Way of the Tri-Valley Area Board of Directors for six years where she chaired the Nominations and Governance Committee. She also was an integral part of the workplace campaign team at Verso, Androscoggin Mill.

She resides in Jay with her husband Matt, and has three grown children. In her free time, Brenda enjoys spending time with her grandchildren.
