

Welcome Corporate Champion Circle Member Horn & Company

Jacque and Dave Horn, owners of Horn & Company, have joined the Corporate Champion Circle. Horn & Company is a real estate management company with buildings and rental properties in Greater Franklin County.

“We are pleased to support United Way of the Tri-Valley Area because United Ways have a way to get to the gut of the community and what the community really needs,” Jacque said. The fact that United Ways are locally run, diversified, reach many, and are well known also contributed to Jacque and Dave’s decision.

The couple are “returning residents,” having recently lived primarily in Costa Rica and Key West while summering on Porter Lake in New Vineyard. Jacque runs a mini farm on her Maine property with a menagerie of Jacob and miniature sheep, emus and peacocks. She is passionate about fiber arts, which she studied in art school. Jacque also has a background in nursing and teaching.

Dave has been a lawyer for 50 years and for 30 years was the Senior VP and General Manager for US operations of Sun Life of Canada. Now retired, Dave enjoys fishing and creating abstract paintings.

Jacque and Dave care deeply about youth and the challenges they face. Through their CCC membership they have chosen to sponsor the Youth Leadership Council which United Way will launch this fall.
