

Through these challenging times Greater Portland Health will still be there to provide the Greater Portland Community with accessible, affordable, and culturally sensitive health care. Amidst COVID-19, we are taking every step to ensure the safety of our patients and staff; because of this, the way we go about our services have had several adjustments made for the time being.

## Telehealth (Virtual) Appointments

For now, Zoom and phone calls are being used to replace face-to-face visits for all that are not related to an acute or infectious disease illness. Some examples include (Not a complete list):

- **Chronic Disease Management (Diabetes, Asthma, HIV/AIDS, Etc)**
- **Primary Care Well Visits**
- **Psychiatry**
- **Mental Health**
- **Substance Use**
- **MAT**
- **Medication Refills**

## Adjusted In-Person Appointments

For appointments that require being in-person we're offering limited face-to-face clinical services at some sites. Examples include for (Not a full list and subject to change):

- **Child Over 5 Years Well Visits**
- **Newborn Visits**
- **Child Under 13 Years Overdue for Vaccines**
- **New Patient Child Under 18**
- **Med/Injection Pick Up**
- **Dental Emergency**
- **Urine Drug Testing**

For questions about our Telehealth (Virtual) Appointments or Adjusted In-Person Appointments or to schedule an appointment please call **207-874-2141**.
