Hello from Cobbosseecontee!

We still eat family style and care about helping each other.

I was cleaning out some cupboards in the Camp Office and came across commemorative plates for YCamp's 75 Anniversary. The front of the plate depicts a drawing of three campers standing in the Dining Hall, looking up at the sign hanging over the mantle. Do you remember what it says... God First, The Other Fellow Second, I'm Third. This has been our motto for nearly 105 summers.

No matter what you believe in or where you come from, you are welcome at YCamp. We all sit down together and eat meals. We all run together on the Sports Fields. We all swim, boat, and lounge at the waterfront. We share cabins, create memories, and become friends.

At YCamp, we are community. Thank you for helping us to be strong and continuing to be the "Camp of Character."

See you soon -

2019 CAMPER OF THE YEAR

Every session, counselors select a male and female camper who exemplify the 4 Core Values, lead by example, and live the YCamp motto. At the end of summer, the Camper of the Year is selected from the list of Campers of the Session for truly representing YCamp's values.

The 2019 Campers of the Year are:
