The Nevada Off-Highway Vehicle maps are intended as a navigation tool for Trail Users as they plan their journey. The Department makes no warranties; either expressed or implied, and assumes no responsibility for the accuracy of the data presented on the maps. The Trail user assumes the entire responsibility and risk as to the use of any or all information presented on the map.

The Bureau of Land Management has not completed Travel and Transportation planning for this area. The undesignated roads and trails shown on this map are informational only and are subject to change. This map implies no right of access across any private lands displayed on this map. Please follow Responsible Recreation guidelines and stay on existing roads and trails.

Portions of these trails border designated wilderness, only hikers and equestrians are allowed within the wilderness boundary. Motorized and mechanized use is only permitted on surrounding non-wilderness trails. Please be respectful of the wilderness boundary and only travel on designated roads and trails for your activity type. Horses are allowed and only certified weed free hay can be brought in.
