Pest Control Service Team

We are recruiting more good people who LOVE serving people to join our growing team of reliable, detailed and hard working professionals. We're a small business (team of 35) but fast paced and growing... we're looking for people that are flexible, dependable, willing to learn the industry, and willing to pitch in whenever and wherever needed.

We're seeking candidates who enjoy working outdoors, hands-on problem-solving, physical and technical work, and pleasing customers. In this position, you will help protect homes and the surrounding environment from unwanted pests using state-of-the-art technology, products, and equipment. The ideal candidate has a solid work ethic, 5 years work experience (pest control experience is not required), strong communication ability, a service mind set, and a desire to help promote environmental health and safety.
