Weep Vents & Weep Tubes |

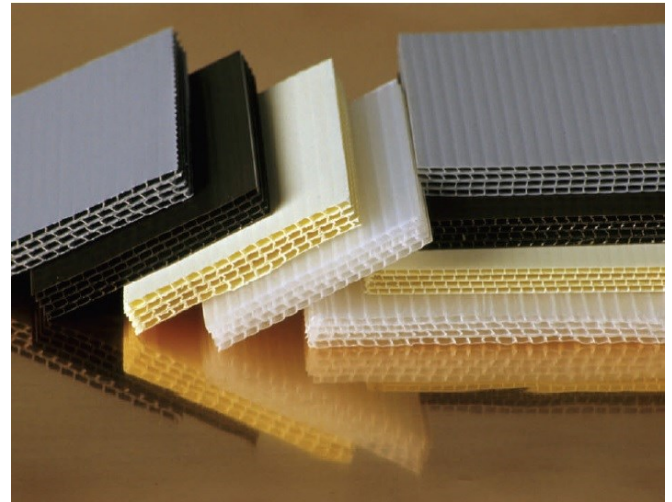

Mortar Maze® Weep Vents

Description:

Mortar Maze® Weep Vents are installed in the head joints of masonry cavity wall applications. These weep vents ensure positive drainage, while also restricting insects and other debris from entering the head joint. Made from durable polypropylene, Mortar Maze® Weep Vents are available in a range of colors to match the surrounding mortar. Polypropylene tested in conformance with ASTM D2240, D790B, D638, and D1238B.

Size: Standard: 3/8" x 2-1/2" x 3-3/8"
Jumbo: 3/8" x 3-1/2" x 3-1/2"

Colors: White, Black, Cocoa, Clear, Tan, Gray or Brown.

Mortar Maze® Weep Tubes

Description:

Mortar Maze® Weep Tubes are now available with or without cotton wicks, or with both cotton wicks and stainless steel screens. Mortar Maze® Weep Tubes are a cost effective drainage device made of durable clear plastic. Placed sixteen inches on center allows for proper moisture drainage at head joint locations.

Tubes are 3/8" dia. x 4".

Tubes without wicks come 500 per box.

Tubes with wicks come 200 per box.

Tubes with wicks and screens come 200 per box.
