

2025 Winthrop Recreation Dept
Summer Program

BASEBALL CAMP

Boys Age 8 to 14

July 14th to 17th

9:00am to 1:00pm

Winthrop HS Baseball Field

\$50.00

Coach Steve Shuman and members of the Winthrop HS program will offer a weeklong clinic for Boys ages 9 to 13, must have been in Minor League, Major League or played Middle School.

This camp will focus on learning and improving baseball skills. It will include hitting, throwing, pitching, catching, base running, and positional play. Drill stations, skill games and controlled games will help players of all levels become better baseball players. Camp will be held at the Winthrop HS Baseball Field.

Players are asked to bring lots of drinks, gloves, sunscreen, snacks, bats and helmets if they have them. We ask everyone to put names on all their equipment.
