Dear Parents/Guardians:

RSU 9 does not provide any type of health or accident insurance for injuries incurred by your child at school.

As a service to students and their families, our district is making available a student accident insurance plan for your child at a very nominal cost. The district offers this program because of trends in rising family health and dental insurance costs, increased deductibles, co-payments, or lack of health or dental insurance coverage. This *optional* insurance is available to full time registered students K-12, teachers, and administrative and other personnel.

REASONS TO PURCHASE THIS COVERAGE:

1. Deductible and copays in your health plan. Many health plans have increased the amount of out-of-pocket expenses.
2. No insurance.

This plan will provide benefits for medical expenses incurred because of an accident. If you have other insurance, benefits can be applied to your deductible or co-pays.

If you have no other insurance, this will become your primary accident plan.

HOW TO PURCHASE COVERAGE & ENROLL:

- Review the [Brochure](#) to learn more about highlights, terms and conditions
