# Cafeteria at Cascade Brook School

You will come down with your class for lunch, grab your own lunch card (if you have hot lunch or milk), give it a staff member, and then proceed through the line. We have a great salad bar selection, and you can sit near your friends either inside or outside (weather permitting).

# Playground at Mallett School

# Playground at Cascade Brook School

At recess you can swing, play on the equipment, play games in the field, sit in our new Gazebo, and even tube in the winter!

# Nina's Woods

We have a beautiful 0.7 mile trail and outdoor classroom behind our school. Many teachers take their classes out for read alouds, nature journaling, and just for some fresh air. We use this trail for some of our after school outdoor clubs too.

Ms. Amy Graham

Ms. Graham always has great book suggestions. She loves geography, and you can always leave her a little note in the mailbox on her desk.

# 4th/5th Grade

The entire right-hand hallway at the top of the stairs is for all the 4th/5th grade classrooms.

We do offer earned “Enrichment Time” every Friday for the last 30 minutes of the day. It alternates between a grade level or school-wide celebration. During this time, classrooms offer different activities for students to sign up for. Choices vary all throughout the year and have included: painting, karaoke, craft-making, extra recess, STEAM bins, board games, and so much more!

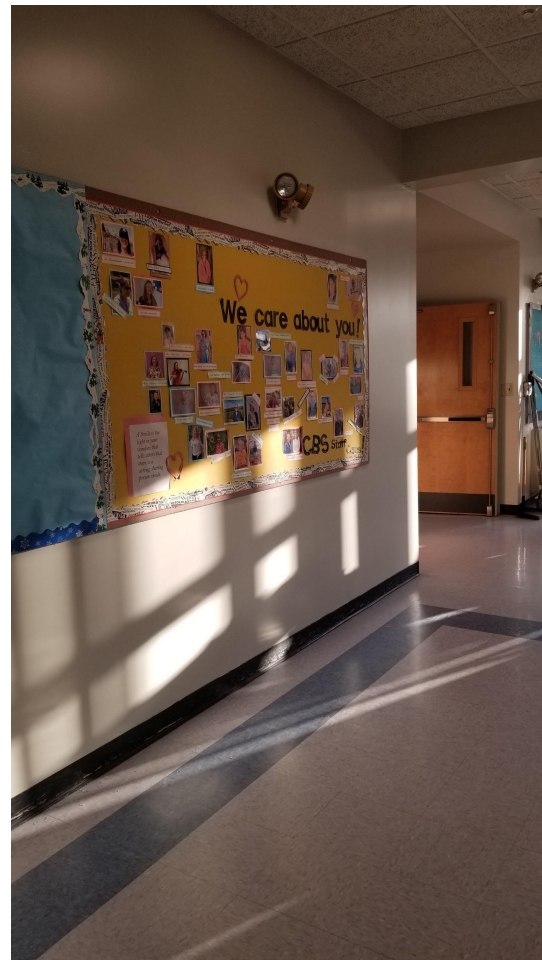

## 3rd Grade Hall

At the top of the stairs you would turn left to enter the third grade wing. We have a common bathroom area at the start of our hallway, and the teacher's room is across the hall.

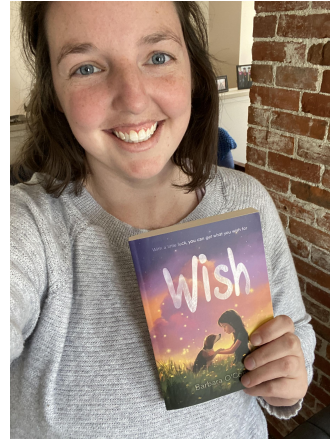

There are sinks outside this area for you to wash your hands in, and almost every classroom has a water fountain in it.
