August 5, 2020

Dear RSU 9 Parents and Guardians,

We are excited to share our progress with you. As you may know, Superintendent Meserve presented the Mt. Blue Regional School District's Fall 2020 Return to School proposal at last night's Board of Directors meeting. The proposal can be viewed [here](#).

Student, staff, and family health and safety is our top priority and RSU 9 staff have worked diligently to develop a proposal that meets the requirements outlined in the Maine Department of Education's [Framework for Returning to Classroom Instruction](#) posted on July 31.

We are asking for parent, student, and community feedback on the proposal. There are two ways you can ask questions or offer comments.

- Attend the virtual Parent and Community Feedback Forum scheduled for Thursday, Aug. 6 at 6pm - you can join by following this link - <https://us02web.zoom.us/j/89236360147?pwd=VXB0MXc5WVRNTjM3dVpvV3h4LytvQTo9>
- Add your questions or comments through our [Q & A portal](#). Questions will be answered and included on our Q & A webpage.

Parents must also complete the Student Enrollment Survey for each child in your home by Aug. 8. The information in this survey will be used to help us further plan for busing, staffing, and schedules. Our biggest hurdle for a full return to school for grades Pre-K thru 8 continues to be student transportation. It is essential that as many families as possible provide transportation to and from school for their children. Your ability to transport may allow us to get back to school with more students.

We appreciate your patience and continued support as we continue our work together.

Sincerely,
RSU 9 Administrative Team
