Working together to provide high-quality educational opportunities for all

2022/23 CCHS Staff Members

We have some wonderful new staff on board this year!

Emma Olson-Grade 2 Teacher
Diane Guimond-Ed. Tech I
Hunter Harrington- Grade 3 Teacher
Nicholas Levenseller-Grade 4/5 Teacher
Alyssa Newhall-Resource Room Teacher
Sarah Bunker-Special Ed. Tech III
Grace Libby-Music Teacher
Deb Hiltz-Art Teacher
Stacey Augustine-Gifted Teacher

We are hosting 3 student teachers and 4 practicum teachers this fall.

Programming/Curriculum

- Common Planning time built into the schedule so the 4/5 teacher can common plan with the other Grade 4 and 5 teachers
- Schoolwide goal of implementing Inclusion of Special Education Students by use of co-teaching
- Implementing the math and literacy district frameworks
- Pioneer Valley Guided Reading grades K-4

Good News!

In response to the Superintendent's request for more movement breaks, the CCHS Leadership Team has implemented a 15 minute Before School Recess. We also added more Brain Breaks. <https://www.edutopia.org/article/research-tested-benefits-breaks>

Mrs. Newhall-New Resource
room Teacher

Morning Recess

Building Updates

- The old boiler has been removed!
- We have a new fence around the upper field!
- We have the concrete down for the new pavilion
- New flooring in Room 204
- Shout out to Bonnie Oliver, Robert Tourtellot, Joyce Smiley and Cory Young for cleaning and waxing our school for the start of the new school year

Community School Update

Addressing our Pillar of Expanded and Enriched Learning Time and Opportunities

Based on our *Community Needs Assessment* given last Spring, the Community School Leadership Team identified one of the top needs was to offer parents safe childcare and enrichment opportunities for their children.

We have met this goal by using our grant funds to hire a Before and After School Care Coordinator. We now offer families Before School Care starting at 7 AM. We have approximately 26 students in this program with 6 of them receiving a scholarship. We offer an After School Care Club until 4:30 PM. We have approximately 35 students that have accessed this program. Students in Care Club are offered a snack, movement break and their choice of enrichment opportunities.

The following Fall After School Enrichment Programs have begun:

- Fit Girls * High Touch High Tech of Maine STEM Science
<http://www.sciencemadefunme.net/elementary.cfm> *Girl Scouts
- Seed Squad *Community Service Club *Social Skills Play group
- Crazy 8s Club *4-H Club *Legomania

We are also working on getting a basketball skill and drill group started.

COMMUNITY CONNECTION

- Meet Maddie, our amazing adult with disabilities volunteer!
- We are planning a Community Supper for late October!

New fencing around three sides of the upper soccer field.

Libby Kaut and her Seed Squad!
