

SCHOOL DISTRICT GOALS AND OBJECTIVES

The RSU 9 Board of Directors recognizes its responsibility to approve goals for the efficient operation of the School District developed through the district’s strategic planning process. In discharging this responsibility, the Board will strive to ensure that the resources of the district are directed toward meeting the educational needs of each eligible student.

The Superintendent will propose annual goals and objectives or targets aimed at meeting district goals established through the district’s strategic plan process which is developed based on input solicited from a variety of sources. These goals will be shared with the community, the staff and the students. The administration will develop appropriate objectives designed to achieve the stated priorities.

The Board will annually evaluate progress toward meeting the goals designed to facilitate their accomplishment.
