PLEASE NOTE MSMA sample policies and other resource materials do not necessarily reflect official Association policy. They are not intended for verbatim replication. Sample policies should be used as a starting point for a board's policy development on specific topics. Rarely does one board's policy serve exactly to address the concerns and needs of all other school units. MSMA recommends a careful analysis of the need and purpose of any policy and a thorough consideration of the application and suitability to the individual school system.

MSMA sample policies and other resource materials may not be considered as legal advice and are not intended as a substitute for the advice of a board's own legal counsel.
