

EDUCATION ADVISORY COMMITTEE

An Education Advisory Committee (EAC) shall be established and shall hold its first meeting in the early fall. The purpose of the EAC shall be to strengthen the educational program through recommendations, research, implementation, and evaluation by the Superintendent and the MSAD No. 9 Education Association to best meet the needs of the students, the school, and the community. The EAC shall advise the Board on such matters as curriculum improvements, teaching techniques, instructional patterns, experimentation, extracurricular programs, in-service training and staff development, pupil testing, and evaluation, philosophy and educational goals of the district, teacher recruitment, research, educational specifications for buildings, and other related matters regarding the effective operation of the District.
