

PROFESSIONAL STAFF DEVELOPMENT OPPORTUNITIES

The Board recognizes the importance of developing, maintaining, and extending the skills of staff members and encourages employees to engage in programs and activities that will lead to their professional growth and increased competence.

The Superintendent is authorized to initiate programs and activities that are designed to serve the following purposes:

- A. To provide a structure for new staff to transition through onboarding activities and learning.
- B. To provide a structure through which staff members can stay abreast of new developments in their areas of specialty;
- C. To familiarize staff members with new research and innovative teaching methods;
- D. To assist staff members in the process of change and school improvement; and
- E. To facilitate the development, implementation and evaluation of new curriculum and programs.

Within budgetary limitations, courses, visitations, and attendance at conferences may be approved by the Superintendent in accordance with Board policy.
