

**AGREEMENT TO PUBLISH STUDENT INFORMATION ON
Mt. Blue Regional School District Maintained Websites
and Social Media Accounts**

Mt. Blue Regional School District maintains several websites and social media accounts to provide general information about the school system as well as information about educational programs, extracurricular activities, school events, and student and staff achievements.

Maine law requires public schools to obtain written approval from parents/guardians prior to publishing personal information about students on the Internet. This form will authorize the district and individual schools to publish the following:

- A. Full names of students in connection with class rosters, honor rolls, awards received, and team/extracurricular activity participant lists.
- B. Group and/or individual photographs of students.
- C. Individual student or class work may be published on individual school websites or social media platforms from time to time in accordance with established guidelines. Such work may include creative writing, research projects, art work, music, performances, and audiovisual presentations. All student work will include a copyright notice prohibiting the copying of such work without express written permission. Copies of the Board's Website and Social Media Policy and Guidelines are available at the Superintendent's office, every school office, or on the district website.

Please complete and return the following agreement form to the school office. This agreement will remain in effect for the entire school year unless it is rescinded in writing. If the form is not returned, no information about your child will be published on the district maintained websites or social media accounts. If you have any questions, please contact your child’s building administrator.

.....
