

STUDENT CODE OF CONDUCT

Promoting ethical and responsible student behavior is an essential component of the RSU 9 Board's educational mission.

RSU 9 is committed to maintaining a safe, respectful and orderly school environment in which students may receive and staff may deliver quality education without disruption or interference and in which students may develop as ethical, responsible, and involved citizens.

To achieve this goal, the Board has developed this Student Code of Conduct Policy with input from school administrators, staff, students, parents, and the community. Based on values identified as essential to ethical and responsible behavior, the Code articulates the RSU 9 Board's expectations for student conduct.

The Board believes that each member of the school community should take responsibility for his/her own behavior. To that end, the Board recognizes the need to define unacceptable student conduct, identify the possible consequences for unacceptable conduct, and ensure that consequences are administered fairly, promptly, and appropriately.

Student Code of Conduct expectations apply to students who are on school property, who are in attendance at school or at any school-sponsored activities, or whose conduct at any time or place directly interferes with the operations, discipline, or general welfare of RSU 9 schools and school activities involved in.

The Student Code of Conduct Policy shall be distributed to students, parents, and staff through handbooks and/or other methods deemed appropriate by the Superintendent and building administrators.

Standards for Ethical and Responsible Behavior

The Code of Conduct Policy is intended to support and encourage students to meet the following standards and expectations for ethical and responsible behavior:

- Respect
- Honesty
- Compassion
- Fairness

- Responsibility
- Courage

All students are expected to comply with the Code of Conduct and all related Board policies and school expectations. The Code applies to students:

- At any time or place that such conduct directly interferes with the operations, discipline, or general welfare of the school and school activities involved in.

General Behavior Expectations and Conduct Policies

7. Meet school standards for grooming and dress.
8. Respect the property of others, including school property and facilities

Violations of the Code of Conduct may result in disciplinary action. Consequences depend upon the seriousness of the violation and the student's prior disciplinary record.

Consequences will range from a verbal warning for minor violations up to and including expulsion for the most serious offenses. Behavior that also violates the law may be referred to law enforcement authorities.

Expectations

The Superintendent/principals may also inform law enforcement authorities when they have reason to suspect that a student or staff member may have violated a local, state, or federal statute. All serious offenses, as determined by the Superintendent, must be reported to law enforcement authorities.
