Your FSA:
The Essentials

Managing Your Account

Using Your FSA Dollars

Welcome to HealthEquity. Start Saving. Here's How.

Welcome to your healthcare and/or dependent care flexible spending account (FSA) sponsored by your employer and brought to you by HealthEquity.

Your FSA is a great way to save on hundreds of eligible expenses like prescriptions, copayments, over-the-counter (OTC) items, and child and elder care.

Your FSA: The Essentials

Your FSA is governed by IRS regulations that detail who is eligible to use the account and where and how the money in it is to be used. Your FSA was designed to be simple. To keep it that way, it's important to comply with the IRS regulations that govern the program. The following guidelines will help you avoid any inconvenience.

- **Make sure account funds are only spent on expenses for those who are eligible.** Typically, those eligible are you, your spouse and your eligible dependents.
- **Know what expenses are eligible.** Log in to your account at www.healthequity.com/wageworks for a complete list of eligible healthcare expenses. Generally, eligible healthcare expenses include services and products that are medically necessary to treat a specific condition. Dependent care expenses typically include care provided for your qualifying child (under age 13) or other qualifying dependent so you can work.
- **Keep your receipts.** Save receipts that describe exactly what you paid for. Make sure the amount and service date—not the payment date—are included.
- **Over-the-counter (OTC) medications, drugs and menstrual care products.** You can pay for items out of pocket and use Pay Me Back to submit your claim to HealthEquity for reimbursement. Pay Me Back claims can be submitted online, or with your smartphone or mobile device. (FSA plans vary by employer, and these changes do not necessarily change the benefits under your employer's plan.)
- **Register for an online account at www.healthequity.com/wageworks.** When you register online and provide a current email, you ensure that you will have 24/7 access to your account and will be automatically signed up to receive important updates and alerts. You also must have an account to use the mobile app and take advantage of features like Submit Receipt or Claim.
- **Keep track of your FSA balance.** Plan ahead to make sure you spend the full amount of your balance

Using Your FSA Dollars

When you pay for an eligible healthcare and dependent care expense, you want to put your FSA to work right away. HealthEquity gives you several options to use your money the way you choose.

Automatic Health Plan Claim (AHPC) – When you visit a healthcare provider such as a doctor or dentist, your insurance carrier later provides the amount of the transaction not covered by the health plan to HealthEquity. This amount represents the “out-of-pocket” cost for which your FSA can be used. HealthEquity uses this data to initiate payment directly to you from your Healthcare FSA.

If you do not wish to auto pay from your account, simply follow the instructions below.

- Log in to your FSA at www.healthequity.com/wageworks.
- From the Dashboard, select your Health Care FSA program then click on the “Program Options” link.
- Under “Your Options” select the “Automatic Health Plan Claims “Off” radio button.
- Click “Save Changes.”
